## P.P.'s Death

---

We regret to announce the death at Milford House, Castletroy, Co Limerick, of Rev R. Fitzgerald, P.P. The deceased pastor was a native of Moycarkey, County Tipperary. He had ministered in Kilcomon for about three years, during which time he was largely responsible for repairs to the parish church and to Kilcomon and Rearcross schools. Earlier in life he had been on the mission in the United States. He had an expert knowledge of forestry, in which he took a deep interest.
