

# The Late Dr Frank O'Mara

---

## Tributes By Clare Co. Council

At the meeting of the Clare Co Council, The chairman (Mr Sean Brady) moved a vote of sympathy to the family and relatives of the late Dr O'Mara, who, he said, was "a grand, decent man," of whom everyone had the highest praise.

Mr Sean Hayes said Dr O'Mara was one of the grandest characters he ever met. As chairman of the former Mental Hospital Committee he had the honour of Dr O'Mara's personal friendship, and he could say that Dr O'Mara was kind to all under his charge and courteous to the public. One always felt he was dealing with a friend in Dr O'Mara, and, added Mr Hayes, I am sorry to say that men like him are now getting very rare.

Mr John Melody and Mr James Hanon spoke in like effect, and the motion was passed, all standing.
