 appointed for the first practice at
 Shelbourne Park.

It was decided to insure all the

 meeting concluded with a vote of

DEATH OF MR. H. CREMIN

We regret to announce the death
 of Mr. Henry Cremin, which took
 place at his residence, 56, Henry St.,
 Limerick, on the 23rd December.
 The late Mr. Cremin was fifty years
 in the employment of Messrs.
 William Todd & Co., Ltd., Limerick,
 for twenty years of which he was
 buyer of their furniture department.
 In his younger days he took a keen
 interest in sport, and was a member
 of the famous Commercial Football
 Club. He took a deep interest in
 the welfare of all that concerned
 the drapery trade, socially and
 otherwise. He was a past president
 of the Limerick Drapers' Club, a
 trustee since 1911 of the Drapers'
 Medical Aid Society, and chairman
 of Todd's Assistants' Benefit Society.
 Mr. Cremin was a shrewd business
 man, of a kindly and unassuming
 nature, and a universal favourite
 with all who knew him.

The funeral took place to Mount
 St. Lawrence Cemetery on 24th De-
 cember, and was of huge dimen-
 sions.
