LATE CANON ABBOTT.

The death of Canon T. F. Abbott,
which occurred last week, is
deeply regretted by all classes. He
was for many years Rector of St.
Michael's and represented for a
long period the Protestant Bishop
on the Vocational Education Com-
mittee. The late Canon took a
great interest in cultural activities
and was a most valued member of
the North Munster Archaeological
Society. A most affable and kindly
gentleman, he was held in high
regard and esteem and his passing
at the age of 75 years following
a protracted illness, has occasioned
widespread regret and sorrow.
