NO PAINT NO TRAFFIC LINES

Requests have been made from various quarters, including the operational airlines at the Shannon Airport, for the painting of white traffic lines on various main roads in County Clare as a help towards the avoidance of motor accidents (writes our Ennis correspondent). Lack of suitable paint prevents the requests from being carried out, according to Mr. T. A. Simington, County Engineer, who states that as soon as such paint becomes available the necessary traffic lines will be painted where required.
