**The Chairman** said that, unfor-

### DEATH OF MR. J. MEANEY

His numerous friends in Limerick  
 ... will learn with extreme regret of  
 ... the death of Mr. John Meaney, late  
 ... head master, Model Schools, Lime-  
 ... rick, which took place yesterday in  
 ... a Dublin hospital. The late Mr.  
 ... Meaney, who resigned just a year  
 ... ago from the headmastership of  
 ... the Model Schools on having reach-  
 ... ed the age limit, went to reside in  
 ... Dublin. Recently his health began  
 ... to fail, and his death was not alto-  
 ... gether unexpected. As a teacher  
 ... he held a very high record, and it  
 ... was under his administration that  
 ... the programme of the Model  
 ... Schools became all-Irish from bi-  
 ... lingual. In his young manhood, Mr.  
 ... Meaney was a noted hurler. He  
 ... was a native of Co. Clare. Deep  
 ... sympathy will be extended to his  
 ... widow, who also taught in the  
 ... Model Schools, and his children,
