## DIED IN ENGLAND

The death took place in England  
during the week of Rev. Brother  
John Savage, a native of Dromcol-  
logher (writes our Dromcollogher  
correspondent). Brother Savage was  
a noted educationist, and despite  
a growing infirmity in recent years  
he took an active interest in his  
work, and ever cherished in his  
heart a warm affection for his  
native Dromcollogher and the  
friends of his boyhood years. His  
death at a comparatively early age  
is deeply regretted in the locality.
