a dance.

supper at a very reasonable price.
There will be many spot prizes and
carnival novelties are not being
overlooked. We strongly recom-
mend support of this dance by all
dancing fans.

THE FIRST CHRISTMAS

On Bethl'em's hillsides long ago
Bright angels sang to shepherds
low—

“Arise, ye lowly, He of yore
By Prophets sung is born,
Adore!”

To Bethlehem, in wonder, then
Repaired those pious shepherd
men;
And in a manger lying there
The Holy Babe they saw,
So fair.

(Written in far off days by the
Very Rev. J. M. C., and preserved
in the memory of a fellow-student
and friend, D.M. O'L.).

KILLED IN ACCIDENT

The remains of Mr. Patrick
Sheehan (21), member of the
British Royal Air Service and a
native of Mountcollins, arrived at
Abbeyfeale on Saturday of last
week by the 7.20 p.m. train, from
Scotland, where his death occurred
in an accident (writes our Abbey-
feale correspondent). On Sunday
the funeral took place from Abbey-
feale Parish Church for interment
in Mountcollins. Many expres-
sions of regret were conveyed to
the members of his family.

EXCELLENT BOXING PROGRAMME

A splendid boxing programme is
arranged for the Mechanics' Insti-
tute Hall to-night, where the
Mechanics B.C. will meet “The
Rest.” There are many first-class
bouts listed, and a good night's
sport seems assured.
