LIMERICK CATTLE MARKET.
WEEKLY MARKET, SATURDAY, JANUARY 18th.
Dairy cows and heifers. An entry of 36 head was on offer and again included some first quality cows and heifers; these met a good selling trade, a high level of prices was repeated for this description. A bigger number of secondary and poorer class of cows was included in the entry, and these met a quieter trade; a clearance of this description was not effected. There was a number of spring-calving dairy cows and heifers on offer. These met a satisfactory selling trade and some good prices were realised. Top price for dairy cows went to Mr. James O'Malley, Lachareigh, Killahoe, at £36. Top price for heifers went to Mr. Michael Moloney, The Castle, Clonlara, at £37 5s. Top price for spring-calving heifers went to Mr. John O'Grady, Mount Earl, Adare, who obtained £28 twice. Incaif and calved cows, best, £32 to £36; seconds, £26 10s. to £31; others, £21 10s. to £24. Incaif and calved heifers, best, £31 to £37 5s.; seconds, £21 to £26. Spring-calving dairy cows, £17 to £25. Spring-calving heifers, £18 to £28.
Stores—A heavy entry met a reasonably good selling trade, buyers operating cautiously in the opening of the market, but trade improved considerably and with several of the earlier lots of bullocks, which had passed through the "ring" unsold, changing hands subsequently; almost a complete clearance was effected. Some two year old heifers, which were brought out in good condition, attracted many bidders. Top price in this department went to Mr. Thomas O'Brien, Derrymannan, Sixmilebridge, at £19 5s. per head. Weanling calves were again in plentiful supply, and most of these changed hands. Two year old bullocks and heifers, best, £16 15s. to £19 5s.; seconds, £13 10s. to £15; others, £12 2s. 6d. to £13; small, £10 to £11 2s. 6d. Yearlings, best, £7 10s. to £9 15s.; seconds, £5 15s. to £7; small, £3 10s. to £4 10s.—Louis de Courcy, Auctioneer.

LIMERICK CATTLE MARKET.
WEEKLY FAT STOCK MARKET, TUESDAY, JANUARY 21st.
Numerically the entry was heavier than last Tuesday, but was below the average on point of quality; most sheep were of a mixed description. The cattle on offer lacked finish and although the local vintners were well represented bidding for these was slow, the finished cattle and stall feds being what they now want. A clearance in both departments was not effected. Fat heifers, medium weights, £24 15s. to £26; seconds, £20 to £24 10s.—Louis de Courcy, Auctioneer.

DE COURCY'S PROPERTY SALES.
On Wednesday last at the Salesrooms, 7 Glentworth Street, Limerick, Mr. Louis de Courcy Auctioneer, offered for sale by auction on the instructions of the owner the building situate at Bunkey, and known as the Old Creamery, held under lease for 99 years at one guinea per annum. P.L.V., £10 10s. Bidding for this property opened at £100, and after very keen competition, in which many bidders took part, Mr. James Rafferty, Clonboy, O'Briensbridge, was the highest bidder and was declared the purchaser at £340 and commission. Messrs. P. S. Connolly and Co., solicitors, had carriage of sale.

WEEKLY CATTLE AND SHEEP MARKET.
Wednesday, January 23rd—Cattle—The muster of cattle showed a substantial increase on last Wednesday, being the heaviest entry for some considerable time, and a much better class, with more fat and strong cattle, and useful drafts of nice quality stores. Strong and most representative attendance of buyers, home and shipping interests being fully represented. Beef met a firm selling trade, especially handy weighted heifers, which were in strong demand, and exchange touched top current rates; heiferish beef cows steadily placed at full values, with secondary sorts also in good demand. Nicely done fat cattle sold readily at top rates, practical clearance in this section. A heavy supply of cows suitable for canning met a steady sale at advanced rates; aged cattle and forward lots in brisk demand. In store section useful well bred stores with quality easily negotiated around last week's terms, and for choice drafts a turn in favour of vendors; promising young stores readily bid for. Yearlings, a small entry, those with colour and quality found customers, but thin lots hard to negotiate; generally a brisk demand for all classes to close of day, proceedings wound up with a strong and satisfactory finish, and a very substantial volume of business transacted; almost a record turnover. Fat heifers and bullocks, best, £34 15s. to £39 10s.; second run, £26 15s. to £34; small, £22 to £25 10s. Fat cows, best, £26 15s. to £30; second run, £20 to £25. Old, best, £13 5s. to £18 10s.; second run, £8 10s. to £12 10s. 2 1/2 year old bullocks and heifers, best, £22 15s. to £31; second run, £17 15s. to £20 5s. 2 year old bullocks and heifers, £13 to £16 15s.; second run, £9 5s. to £12. Yearlings, £6 17s. 6d. to £8 7s. 6d.
Sheep—Decrease in numbers, the turnout not up to last Wednesday, prime sheep easy to sell, trade brisk and firm. Choice pens met a strong demand and were quickly placed at top rates; full prices paid for finished sheep. Suitable wethers and hoggets met active enquiry and sharp demand, and young fresh ewes a good trade; small handy sized wethers and hoggets in condition were in brisk demand. Full attendance of buyers. Over the day prices for best sheep again showed an advance, half finished and rougher sorts hardly as firm as last week. Business in this section wound up with a strong finish and substantial clearance effected. Fat middle weight, 157/- to 168/-; second run, 140/- to 151/-; small, 120/- to 135/- Ewes, 108/- to 130/- Hoggets, 67/6 to 110/-—Wm. B. Fitt & Co., Auctioneers.

THE PADDOCKS, LIMERICK.

WEEKLY DAIRY MARKET.
Tuesday, January 21st.—The entry for to-day's market showed a slight decrease on last week. The attendance was big and representative, and buyers had quite a number of choice cows and heifers to select from, trade being well sustained and active throughout the day, with purchasers ready and willing to invest, bids came freely and exchange was ready at all round advanced rates; strong enquiry for the promising classes, which drew sharp competition; quality and colour, with shapes, commanded attention and compared with last week prices for both heifers and cows were in favour of vendors; useful dairy cows of the right stamp wanted and sold well. Promising and well bred medium sized heifers in steady demand. A particularly choice dairy cow, the property of Mr. Patrick Gleeson, Buffanoka, Cappamore, realised £45, the runner-up being Mr. P. Cooney, Dromin, Broadford, at £40. Top price for heifers went to Mr. P. Cooney, Dromin, Broadford, at £36 10s. Spirited and sustained demand throughout the day. The sale was one of the best this season, winding up strong with a practical clearance. Dairy cows, best, £36 to £45; promising, £26 10s. to £35; ordinary, £15 to £20 5s.; incalf and calved heifers, promising, £29 to £36 10s.; ordinary £22 10s. to £26; spring calving cows, £19 5s. to £25 10s.; second run, £15 to £19.—Wm.
