DIED IN ENGLAND

Widespread regret has been
occasioned throughout the district
as a result of the death, which took
place in London recently, of Mr.
William Moloney, Rathaney, Hos-
pital (writes our Hospital corres-
pondent), Deceased, who had been
in England for a number of years,
was a member of a popular East
Limerick family, and the news of
his death came as a shock to his
family, relatives and friends. It is
understood that deceased's sudden
death was brought about as a result
of injuries sustained when he met
with an accident. To his bereaved
wife and family and other relatives
the people of the district extend
their sympathy.
