ROXBORO' LABOUR CLUB

(To the Editor, "Limerick Leader.") Dear Sir,—The Roxboro' Labour Club, at a meeting held on the 18th inst., decided to call, through the Press, the attention of Deputy Keyes to the conditions prevailing in regards obtaining new milk at Cregora and Lisinalty.

Some of the people in those districts have to travel over two miles to the nearest dairy, and very often cannot get supplied, as the dairy is unable to meet with the demand.

Now, this should not happen, as there is an auxiliary creamery at Lisinalty that could cope with the lot, and for some reason or other it won't supply the people of the district.

The people of those districts would feel grateful if something could be done to relieve the hardship imposed on them.

J. GRIMES, Secretary, Rathbane, Limerick.

RUGBY FIXTURE

(To the Editor, "Limerick Leader.") Dear Mr. Editor—Will you kindly allow me, through the medium of your paper, to protest to the Munster Branch, I.R.F.U., in fixing the Garryowen and Constitution match for Easter Saturday.

It was common knowledge around town that this match would be played on Easter Sunday or Monday. Now, those of us who have not a half-day on Saturday are deprived of seeing what promises to be one of the best matches of the season, all because the Cork club must be obliged at all costs.

It is a surprising thing that the Garryowen and U.C.C. match was also played on Saturday.

Faithfully yours,
