### SMASH AND GRAB RAID AT CHARLEVILLE

Late on Saturday night a plate glass window in the jewellery shop of Mr. P. Malone, Main Street, Charleville, was smashed and five watches, valued at £20, taken away. It is believed that a diamond was used on the glass. Brooches and other articles of jewellery which were on display were not touched. The premises from which the articles were taken are a lock-up shop, as Mr. Malone lives in a private residence outside the town.

### OCTOGENARIAN'S DEATH

At the ripe old age of 86 years, the death occurred last week of Mrs. Catherine Lynch, of Holycross, Bruff (writes our Bruff correspondent). A member of an industrious family, she was active up to the last. She was a lady of kind disposition and was extremely popular with all classes. She was widow of the late Mr. Patrick Lynch, Camass, Bruff, and was a native of County Kerry. A lady of deeply religious disposition, she was an exemplary Catholic.

Following Requiem Mass, the interment took place in Kyle Cemetery, Bruff, in the presence of a congregation that was representative of all classes and testified to the popularity which the deceased enjoyed.

### THE BOHERBUOY BAND

A Limerick lady now residing in England writes:—"Following the example of the Superior of the Christian Brothers, I, too, would very much like to congratulate the conductor and all the members of the splendid Boherbuoy Band on their success. Long may they flourish in their grand work. I trust the Limerick people showed their gratitude on the centenary of the Band by subscribing generously." The writer of the foregoing encloses her name and address, but for publication signs herself "A Limerick Woman."

### CREAMERY MANAGER PASSES AWAY

Very sincere regret has been occasioned by the sad news of the death of Mr. Christopher Roche, Manager, Monegae Co-operative Creamery Society, which occurred at St. Vincent's Hospital, Dublin, on Wednesday last. Aged only 29 years, deceased was a brilliant graduate of University College, Cork, where he concluded a very distinguished academic career by securing with honours his degree as Bachelor of Dairy Science. A young man of many endearing and lovable qualities, deceased was son of Mr. Richard Roche, Manager, Meenahela Creamery, to whom, as well as to the other members of the bereaved family and relatives deep sympathy will be extended. There was a very large and representative attendance at the funeral from Monegae Parish Church to the adjoining cemetery on Friday, when all sections of the public were included in the huge funeral cortege.

### INJURED WHILE CUTTING TREE BRANCH

Mr. Michael Dineen, Caherguillamore, Bruff, a young farmer, received a fractured leg while in the course of cutting a branch off a tree at his place last week. It appears that Mr. Dineen was on the tree cutting the branch, which, when cut, struck his leg and caused the fracture. After being medically treated, he was removed to the Co. Infirmity, Limerick, where he is progressing favourably.
