## TRAILER PUMP ALLOTTED

Mr. D. C. Murphy, Assistant County Manager, has allotted a trailer pump to Charleville for the use of the local fire brigade in the event of future fire outbreaks in the town (writes our Charleville correspondent).

The local Towns and District Development Committee made a number of representations to the Manager during the past 12 months in connection with the reorganisation and equipment of the local fire fighting service, especially since the big fire in May of last year, when a business premises was completely gutted and the local branch of the Munster and Leinster Bank partially destroyed. The pump, which was on order for some time, arrived on Friday last, and the public, and more especially the business people of the town, will be grateful to Mr. Murphy for providing this very necessary equipment, as the existing fire-fighting appliances are altogether inadequate to combat a big outbreak.
