County Council on Saturday, Mr. J. W. Canty, Chairman, presiding, Mr. M. J. K. Dore, solr., com-plained that there had been an increase in the rents of the new houses in Newcastle West. He Brocade, Pactus, George thought the action of the Council in increasing the rents thus most unfair at the present time.

Senator D. J. Madden agreed, but asked whether the increase mentioned would come under the heading of rent or of rates. FIXED RENTS.

The Chief Officer (Mr. J. J. King) said the rents of these houses were fixed ones. The rates had been added to the rent and each year the two were collected together. This accounts for the increase mentioned by Mr. Dore. The position in Newcastle West was the same as obtained in every town in the county. The town rates, which had formerly been coldected by the Town Commissioners, were now collected by the Co. Council.

Mr. King said this was not so. There was no further discussion and the Auditor's reports were unanimously adopted.
