Part-proceeds of an entertainment held under the auspices of Ballyagran and Castletown G.A.A. were handed in as a subscription to the club funds, for which grateful thanks were expressed. To further augment the funds, it was decided to hold a concert and dramatic entertainment at Ballyagran on Sunday, the 25th instant.

The team had their first outing Sunday last, when they held Milford to a draw in a friendly match at the latter venue—which was no mean achievement for a maiden encounter, and considering that Milford were last year's Novice Championship winners. The team is now going into serious training for their first championship match, in which they have been drawn against Dromcollogher.

score. To Con Daly fell the honor of putting Mungret on the road to victory when after a grand individual solo run he crashed home a spectacular goal. Patrickswell put everything they knew into the next few minutes and hopes were revived when John Foley scored a point. Mungret, however, with victory in sight, were in unbeatable mood, and goals from MacNamee and Canning clinched the issue. Patrickswell were still fighting hard at the finish and Des Fitzgerald closed the scoring with a point.

Ballybrown, 5-2; Askeaton, 4-5.

Hurling for most of the first half in the Ballybrown-Askeaton game was dull, but low and even. Paddy Fitzgerald had three points for Askeaton before Ballybrown got moving and Conway equalised with a goal. Paddy Fitzgerald however, restored the Askeaton lead with a goal. It was short lived however, as Reidy was on to mark for the leveller at the other end, and then Byrnes with a point sent Ballybrown ahead for the first time. Just before the interval however, Paddy Fitzgerald raised the green flag to leave his side two points to the good at resting time on the score 2-3 to 2-1.

Thrills there were in plenty in the second half and hurling reached tip-top standard. A goal by Byrnes put Ballybrown in front but in a game of changing leadership by the minute, Paddy Fitzgerald neutralised his effort at the other end and now it was the holders who held the majority. Another change of scene and Reidy's goal for Ballybrown saw leadership turn about once more. With some ten minutes left to the final while both sides went all out to make the issue safe. Tommy Murphy starred at centre-half back for Askeaton, but his best efforts failed to hold Canty, who sent between the uprights. Two points lead for Ballybrown. Askeaton halved it a flash as J. Ryan secured to play over the bar for a minor. Askeaton moving well. Tommy Murphy scored a nice free and Paddy Fitzgerald, doubling on the sliotar, scored a picture goal and the holders were in front by a two points margin.

Then came a characteristic desperate final rally by Ballybrown and Reidy crashed through for a major score and a point lead. It was a slender one but looked just enough to bring them victory when Paddy Fitzgerald, with a left handed drive, pointed to bring the sides on level terms for the last time. Full time score: 5-2 to 4-5 a draw and a fitting result to a grand game.
