## LIMERICK-GOLF CLUB

Arrangements are now almost completed for the above Feis at Castleconnell on July 4th. This is one of the outstanding events for the county in Clare, Limerick and Tipperary each year. There are some novelties in the programme, particularly the dancing items. All the preliminary tests in dancing will be held in the City of Limerick for the city schools on the Friday afternoon before the Feis. Only those who are recalled will be entitled to participate at Castleconnell.

It is intended to hold Carnival on the 15th of this year during the Rural Feis attached to the Feis and on the 16th of the Feis. The Rural Feis is being sponsored in the Limerick section by the I.C.A.

Those who require programmes for the Feis are advised to write immediately to the Secretary, as they are in short supply. Will all cups of last year please return immediately.

**IGNATIUS CUP**  
By courtesy of the Captain and Committee of the Limerick Golf Club the annual competition for the Ignatius Cup was held on the 15th.

There was a good entry for the competition, the winner of which was D. Corboy (12) with a nett score of 72. Mr. G. A. Fitzgibbon second with 76.

Dermot Gleeson has a congenial subject in Father John Kenyon, the Young Ireland priest born in Thomondgate. He worked in Killaloe diocese where John Mitchel and John Martin were often his guests in the presbytery at Templeberry. A contemporary picture of the three Johns is reproduced in the essay.

The parish priest has set himself a task in detection when he seeks to come to close quarters with the elusive patron of his parish and of Limerick diocese. No reviewer must spoil the secret of a thriller, but he may suggest that if the mystery of St. Munchin is not finally dispelled at least the veil is visibly shaken. How near little children can get to their parish patron is revealed in a pleasant fantasy by Aileen O'Brien—a name new to Limerick but not to letters.

The Annual is printed and published in Limerick, and its format is worthy of the contents. It will be on sale at Shannon Carnival, which opens at Belfield, Ennis Road, this (Friday) evening, May 14th.

## DEATH OF MRS. M. E. CROWE

The death of Mrs. Mary E. Crowe, which took place at the residence of her daughter at Janesboro, has occasioned widespread regret and sorrow. She was a lady of exemplary character, and throughout her long and active life she commanded the esteem, not only of her immediate relatives and friends, but of a very wide circle of acquaintances.

The deceased was widow of the late John Crowe, Athlunkard St., a prominent and highly respected citizen. She was mother-in-law of Mr. D. C. O'Connell, B.L., Editor, "Connacht Tribune." We join with the general public in tendering deep sympathy to the family in their bereavement.

The funeral from Janesboro Church to Mount St. Lawrence Cemetery was fully representative of all classes of the citizens.

At a meeting of Limerick and District Branch of the National Union of Journalists a vote of sympathy was passed to Mr. D. C. O'Connell, B.L., an esteemed member, on his bereavement.
