you peel them. You can avoid this

if you wash the vegetables before

you peel them. Hold them under a

running tap and scrub them with a

fairly hard brush, kept specially for

the purpose. As a matter of fact,

it is a good plan to clean all your

vegetables in this way as soon as

you buy them, and before putting

them in the vegetable box. Make

sure, however, that they are dry.

a hearty vote of thanks was tendered, on behalf of the Club, to Professor Buacalla, by Mr. P. Dunworth, Secretary. TURF CUTTING

With the tillage campaign all but

over (writes dur Kilmallock correspondent), farmers and cottiers are turning their attention to the provision of fuel from the Jamestown bog, where a large number of them hold turbary rights. Kilmallock district is well represented in the drive and the work is proceeding under ideal weather conditions, and it is hoped that there will be an early saving, as the bog was never better as far as drying conditions

are concerned.

commission, in addition to croquet, augurs well for the Club's future. With the remaining courts ready for play, the committee will then be in a position to cater for the needs of all playing members. In the evening the opening of the new pavilion was marked by a very enjoyable party at which upwards of 100 members were present. The following contributed to the evening's entertainment: - Misses A.
