

## TECHNICAL MATTERS

The Co. Manager (Mr. P. J. Meghen) said that one of the difficulties in the consideration of the tenders was that a lot of them dealt with technical matters which would have to be referred to the engineering staff for a report. He agreed that a special meeting of the Council should be convened for the purpose of going into the tenders, as suggested.

After some further discussion, it was decided that the Council should meet specially on Saturday, July 10th, to consider the tenders before it.

## A SUGGESTION

### DIOCESE OF OWERRI

(To the Editor, "Limerick Leader.")

Dear Mr. Editor—I notice from your columns that some of our citizens are anxious to do further honour to Most Rev. Dr. Joseph Whelan, C.S.Sp.

It is certain that the nearest thing to Dr. Whelan's heart is his great diocese of Owerri, with its two and a half million souls.

Would it not gladden him immensely, therefore, if Limerick City "adopted" his diocese, or even his own parish there, and made itself responsible for its welfare?

There are 40,000 people in Limerick. If only 20,000 subscribed 1d. per week his Mission would be assured of £330 per month, or £4,000 per year. Think of what that would mean, say over a decade, in churches, schools and good works.

For years past many citizens have subscribed weekly to the 1d. in the 5 Fuel Scheme, but this scheme is now finished with. Why not divert the subscriptions to this lofty purpose?

During the war many American cities "adopted" blitzed English cities and made themselves responsible for their welfare.

Limerick could do the same now for Owerri. No one would grudge a 1d. a week. All that is needed is someone to set the scheme in action, and surely one of the many Missionary Societies could do that.

Sincerely,

"SARFIELD."

## CLARE F.C.A. COMPETITION

The final stage of the competition to decide the best section of the F.C.A. in Clare, was decided at the Glen Range, Killaloe, on Sunday, 20th June when, after keen com-

Cuticura Shaving Stick. It gives a gloriously smooth, satisfactory shave thanks to its quick-forming antiseptic lather that actually SOOTHES the skin tissue.

## DEATH OF ABBEYFEALE LADY

The death of Mrs. Mary Agnes Reilhan, wife of Mr. John Reilhan, of Main St., Abbeyfeale, and sister of Mrs. Wm. O'Sullivan, N.T., which occurred after a fortnight's illness, at the age of 41, is very much regretted. For years an efficient nurse, a most respected resident highly esteemed for many excellent qualities, there was a very large attendance of the public at the removal of the remains, on Sunday evening last, to the Parish Church, and also at the interment on Monday in St. Mary's Cemetery. A very large number of Mass cards and floral wreaths, accompanied the expressions of regret and sympathy to the bereaved husband and family of the deceased. Prayers at the graveside were read by the Very Rev. P. Canon Carroll, P.P., V.F.; Rev. J. Halpin, C.C.; Rev. J. Liston, C.C.; Rev. P. McEnery, U.S.A.; Rev. M. Collins, U.S.; Rev. D. Murphy, C.C., Wales.

## ABBEEFEALE FINE GAEL

At a special meeting of the above, held in the Abbey Hall, Mr. H. D. Leahy presided.

A deputation from the unemployed road workers and carters attended and placed before the meeting grievances affecting their employment.

It was decided to request Mr. D. J. Madden, T.D., Co.C., to bring the matters complained of before the next meeting of the Limerick Co. Council.

It was also proposed by Mr. T. O'Donoghue, seconded by Mr. T. Tobin, that the necessary steps be taken for the erection of a suitable factory for the town, where there is adequate water and other power available for the purpose. The only employment locally at present was in the working of a stone quarry, which lasts only for a few months during the year.

It was also decided to direct attention to the necessity for having the electric light in use for the
