

DRIVER DAZZLED

BY LIGHT OF 'BUS

John Calligan, Kilrush, motor mechanic, was fined £5, with £1 15s. 11d. costs, at Sixmilebridge District Court on Thursday for dangerous driving of a motor car.

Evidence was given that the defendant, driving passengers from the Limerick Greyhound Racing Track, struck the side of a 'bus on the Limerick-Ennis road and sheared off a 'bus mudguard.

Mr. D. J. O'Malley, solicitor, defending, said defendant had been momentarily dazzled by the light of the 'bus and that had been the cause of the accident. He pleaded guilty to driving without due care.

Supt. Lavan, who prosecuted, said there were no previous convictions against the defendant, to whom the Guards in Kilrush had given a very good character.

Justice Gleeson said when a driver was dazzled by an oncoming light the proper course for him to adopt was to stop his car. In addition to the fine he directed that the particulars be endorsed on the driving licence.

CITY BAKERY TRADE

Differences of opinion between employers and employees in the bakery trade in the city concerning the carrying out of the recent Wages Variation Order made by the Labour Court at its sitting in Limerick, are expected to be settled before the end of the week.

The Mayor (Councillor M. B. O'Malley, solicitor) has interested himself in the matter for the purpose of effecting an agreement on the points at issue. He has held separate conferences this week, first with representatives of the employees, and, later, with representatives of the employers. He will meet the employees' representatives again this evening.

CITY CHILD DROWNED

A little boy, Christopher Vaughan, aged 4½ years, was drowned in the Shannon at Donnellan's Bank, Thomondgate, on Wednesday evening. The child, who lived with its parents at Killeely, wandered away while the mother was attending the funeral of a relative. When the boy was missed a search was begun and the body was later found in the river.

that can be obtained by advanced training, which is called "Dressage" or "High School."

This demonstration should go a long way to encourage the horse world of Eire to keep in touch with what their neighbours are doing in this respect. At the present moment Eire is the only country in the world where "Dressage" or High School training is to all intents and purposes unknown. The value of horses trained in such a manner is considerably enhanced.

This is the first time a demonstration of this nature has been given at any Irish show.

LIMERICK GRAMOPHONE CIRCLE

The second in a series of specially arranged summer dances under the auspices of the Limerick Gramophone Circle was held in St. Michael's Hall on last Saturday night. Great care was taken to ensure that only a limited number would be admitted, the result being one of the most enjoyable dances held in the city for a long time. Spot prizes, novelty dances, and the music of the resident band added to the gaiety of the occasion. The Circle Committee intend running another dance in the near future.

TRANSFER OF GARDA SERGEANT

The transfer of Sergeant J. O'Donnell, G.S., Ballingarry, Rathkeale, to Hospital, is very much regretted (writes our Ballingarry correspondent). A kind and efficient peace officer, he always felt it better to advise and reprove those who erred rather than have recourse to the law. During the past twelve years he has been in charge of the Ballingarry district and made many and sincere friends, who now wish him many years of happiness in his new station. He is being replaced by Sergeant J. Clifford, G.S., Newmarket-on-Fergus, Co. Clare.

NONAGENARIAN FARMER'S DEATH

The death occurred last week of Mr. Peter McCarthy, Ballinamona, Shearin's Cross, Kilmallock, at the fine old age of 91 years.

The late Mr. McCarthy was a well-known farmer in the district and belonged to a family connected with the farming life of the locality for generations. He was very popular over a wide area and his demise occasioned deep regret. He was father of Miss B. McCarthy, N.T., Glenbrohane, and of Mrs. M. Carmody, ex-N.T., Athlacca.

There was a very large and representative attendance at the interment, which took place at Knockaney Cemetery, following Office and Requiem Mass at Dromin Church.

OPTIMISTIC!

President Truman said at a Press Conference in Washington yesterday that the chances of world peace "were good—in fact excellent." There would be world peace eventually, he added.
