DIED ON WAY HOME FROM CREAMERY

An elderly man named O'Sullivan died suddenly when returning on a donkey and cart from Garryduff Creamery to his home at Ballypierce, Newcastle West, on Tuesday. He had left the public road and was proceeding in a passage way along a field leading to his house when he was found on the cart in a collapsed condition by his sister. He passed away almost immediately.

rick with a goal. Clare attacked, but were beaten off and Boland figured prominently in another Limerick raid, passing to Toddy O'Brien, who was narrowly wide. Johnsie O'Donoghue shone out in the "home" defence, as Clare turned on the steam, but Clare were awarded a short free which Mick Murphy placed on the Limerick goal-line. Tim Glynn replaced Jimmy O'Donoghue at this stage and the Limerick defence were hard pressed in the next minutes. "Holly" Daly was wide from a close-in free and from the puck-out, Mulcahy placed a well directed ball right in the Clare "square," Toddy O'Brien got his foot to the sliotar but Smalle was ready and sent the ball out a bit but not far enough and Eddie Stokes finally got through for a goal to leave the position 2-1 to 1-0.

Paddy Fitzgerald, from a midfield free, dropped a long ball right between the uprights to put Limerick further ahead. Clare went all out to recover. Mick Murphy missed a near in free, but a second attack led to a "70." Collopy effected a grand save, but Hanley caught the rebound and scored a point. After Smalle had saved from Toddy O'Brien, Nugent, with the first half nearly done, crashed through for a surprise goal for Clare, to leave the figures 2-2 to 2-1.

Bertie Mullane forced a "70" for Limerick; Paddy Fitzgerald placed well, but Mulcahy was just wide. From an angle free Paddy Fitzgerald got a neat point, and then in a change of scene Leahy with an open goal at his mercy missed a grand chance for Clare, as Johnsie
