pointed in Sean MacDonncha and everything is ready for a start. The club's strength will I understand be drawn mostly from "strangers" working in the City and will not be localised, to any great extent. I will have more information about this club next week when I will be able to publish the names of its officials, captains and give details of the teams they are likely to have.

### Mental Hospital Will Be Stronger.

The introduction of the "48" hour week which has necessitated a considerable increase in the Mental Hospital Staff is expected to bring many extra hurlers and footballers to the "Hospital" club which will be in a position to field a formidable fifteen next season. They will also enter a football team.

While new clubs are especially welcome at any time their coming at the moment is not likely to make matters any easier for the Board in the carrying out of their programme and the chief reason is the very old one, lack of a proper playing pitch outside of the Gaelic Field where games can be played and arranged without fear of anything upsetting them at the last minute. Until such time as this problem is overcome the City Board will not be able to function as smoothly and as efficiently as it would like.

### DEATH OF MR. G. C. CROMER

It is with very sincere regret that we chronicle the demise of Mr. George C. Cromer, retired jeweller, O'Connell Street, Limerick, who passed away this morning in the Stella Maris Nursing Home.

The late Mr. Cromer, who was in his 85th year, was held in very high esteem and regard by all sections of the citizens. His grandfather, Conrad Cromer, came to Limerick from Germany about 150 years ago. In 1816 he opened in the city a jewellery and watchmaking establishment, which, to this day, is still held by members of the family, Mr. Robert Evans and Mr. R. T. Evans, nephew and grand-nephew, respectively, of the deceased.

The late Mr. Cromer, though he never took a prominent part in civic affairs, was deeply interested in the progress and advancement of his native city. He took a great pride in Limerick and was wont to say that it was a grand old city and that its citizens were upright and honourable people.

Charitable to a high degree, he never hesitated, much less refused, to give a generous contribution to any worthy cause. He was a truly Christian gentleman and by his passing, Limerick is bereft of a citizen of outstanding traits and characteristics. There is one surviving brother and sister, both of whom reside in Canada.

The funeral will take place tomorrow at 11.30 o'clock from Stella Maris Nursing Home to St. John's Church Cemetery, where the interment will take place.

ided as the score (0-0) suggests. It was regrettable that Belvedere had only ten players.

### Friendly at Galway.

Limerick Ladies' also brought home the laurels last Sunday, when they defeated Victorian Ladies, Galway.

### Coming Fixture.

Limerick Ladies' "A" meet Catholic Institute "A" at Rosbrien next Sunday at 3.15 p.m.

### DEATH OF OCTOGENARIAN

After a protracted illness, borne with exemplary resignation, the death of Mr. Patrick Harnett, of Ballybehy, Abbeyfeale, occurred in his 82nd year (writes our Abbeyfeale correspondent). Many expressions of condolence were conveyed to his son, Mr. John P. Harnett, N.T., Springmount, and to the members of his family. The deceased, who belonged to an old West Limerick family, was esteemed and respected by all who knew him, and by numerous relatives and friends in West Limerick. A large funeral accompanied the remains to Abbeyfeale Parish Church on Saturday last, and there was a large attendance at the interment in the old family vault in the Abbey Cemetery on Sunday. The prayers for the dead were read by Very Rev. P. Canon Carroll, P.P., V.F.; Rev. J. Hulpin, C.C., and Rev. J. Liston, C.C.

### BRUREE HOUSING

Work has now reached an advanced stage on the new dwellings which are being erected in Bruree, under the Limerick County Council's first post-war housing scheme, and hopes are entertained that the houses will be ready for occupation early in the new year (writes our Bruree correspondent). Six houses are in the course of construction at Bruree and the Housing Department of the Limerick County Council has issued advertisements inviting applications from prospective tenants for the houses.

### A BIG "MIHUL"

Michael Boland, Ballyloughnane, Ogonnoloe, had the biggest meitheal, following two potato diggers, in the Killaloe area last week (writes our Killaloe correspondent). On Wednesday last, 30 young men turned up and worked from early morning until nightfall, when they had picked, bagged and pitted the produce of a four acre field.

### WHY COURT WAS NOT HELD

There was no sitting of the Charleville District Court on Tuesday, the Justice, Mr. C. S. Kenny, B.L., having already intimated his intention not to hold Courts until the local Courtroom and premises are put into a proper state of repair.

### LIMERICK BATTALION'S WIN

The Limerick combination, the 12th Battalion, score a well-merited victory recently over the 1st Brigade (Cork) representatives, in the Southern Command Soccer Championship, at Sarsfield Barracks. Their winning margin was 2-1.

The first half produced fast and clever football, with no score on the board. On the turn-over, the visitors pressed strongly and had the opening goal, which was netted off a penalty by Pte. Meany. This score enlivened the "12th" and as a result of stout play by Privates Tierney and Byrne, and Corporal O'Brien, they forced the equaliser.

With about five minutes to go, Scally converted a penalty for the "12th," and they held their slender lead to the end.

Corporal O'Brien and Privates O'Driscoll, Scally and Tierney were prominent for the winners; while the 1st Brigade had stalwarts in Lieut. McIntyre, Sergt. Slattery and Pte. Kenny.

The 12th Battalion's victory should stimulate enthusiasm for their forthcoming F.A.I. Junior Cup-tie.
