

cillor Whelan that the application by letter is not in order.

**Mr. O'Connell**—I would make a proposal that we do not entertain the application since it is not in the official form.

**Father Lee** expressed the opinion that a person in Limerick could walk into the "Tech." and obtain a form to complete, whereas a person residing in Dublin might not see the advertisement until the day before the closing date, and was at a disadvantage with the local person in this respect.

**Mr. Cusack** said that while he understood Father Lee's point, he would not change his mind that the application was not in order.

#### KEEN TO TEACH IN LIMERICK

At this stage the C.E.O., on request, read the qualifications already obtained by the letter applicant, and she stated that she was extremely keen to teach in Limerick, where her family resided.

**The Mayor** remarked that the applicant might have made a mistake in not submitting her application on the official form, and might have misunderstood the terms of the advertisement.

**The C.E.O.** read the advertisement, and **Mr. Whelan** said: "I think that is very clear."

#### UNANIMOUS DECISION

On the proposition of **Mr. O'Connell**, seconded by **Mr. Whelan**, it was unanimously agreed not to

6, Mount Pleasant Ave., Wolfe Tone St.

**Mr. O Tuathaigh** said that the teachers responsible deserved the Committee's congratulations on the excellence of the results.

#### VACANCIES IN CLASSES

**Mr. Whelan** enquired if there were any vacancies in classes. He was having regard to the possibility that there might be an influx of students in the new year. **The C.E.O.** said that there would be a few vacancies after Christmas.

**Mr. Whelan** wondered if the names of those persons on the waiting list seeking enrolment could be accommodated after Christmas.

**C.E.O.**—Yes.

#### ATTENDANTS' PAY

**Mr. Cusack**—Is there any increase of pay due to the attendants?

**C.E.O.**—There has been a statement on the bonus question for civil servants, and they will come under the section relating to employees of vocational committees. It is coming along all right, and there is nothing we can do about it.

**Father Lee**—Will it be retrospective?

**C.E.O.**—Oh, yes.

**Mr. Cusack**—That is good.

#### SYMPATHY

Before the meeting concluded, sympathy, on the proposition of the **Chairman**, was extended to the family of the late Mrs. Spencer.
