

DEATH OF MR. MICHAEL TYNAN, SOLICITOR

The death of Mr. Michael Tynan, solicitor, which took place at his residence, "Derreen," Ennis Road, Limerick, on Friday night, has been learned of with deep regret and sorrow. The late Mr. Tynan, who was born at Oatfield, Sixmilebridge, 73 years ago at an early age entered a solicitor's office in Tipperary. Some 30 years ago he was himself admitted a solicitor, and in 1923 he opened offices in Limerick. In a comparatively short time he had built up an extensive practice, and at the time of his death was one of the most distinguished members of his profession in Munster.

The deceased took an active interest in religious and social activities. As a member of the Society of St. Vincent de Paul, he was indefatigable in his efforts to alleviate destitution. A man of many sterling qualities, Mr. Tynan befriended many poor people who needed legal advice whose interests were as much his concern as were those of his most wealthy clients.

The late Mr. Tynan was a most interesting conversationalist. Being widely read, he had a sound grasp of affairs in general and though, because of a natural shyness, he never forced his opinions, his views always commanded the respect they deserved.

To his widow and children, Mr. Martin Tynan, solr.; Miss Catherine Tynan, solr.; Rev. H. Tynan, Diocesan Inspector; Mr. P. Tynan, B.L., and Dr. G. Tynan deep sympathy is tendered in their bereavement.

The funeral, which took place today from St. Munchin's Church to Mount St. Lawrence Cemetery, following Requiem High Mass, was fully representative of the professional and commercial classes of the city.

Limerick County Committee of Agriculture at a meeting to-day, unanimously voted sympathy with the relatives of the late Mr. Tynan.

The motion of sympathy was moved by Mr. P. W. Ryan, Co.C.

A very interesting film lecture took place at the club rooms last Friday on the "Construction of Radio Valves" by 6X. It was well attended and enjoyed by everybody. It is hoped to run sound films on radio subjects in the new year. In the unavoidable absence of 9V, 6X gave a brief resume of his lecture on "Radio Fundamentals." Our sincere thanks goes to Mr. Jorgensen for operating and loaning the film strip projector. Thanks OM.

His many friends in Limerick may like to know that your scribe received a letter from our EX Club member, Jimmy McGarry, who is now operating G13ECQ. His activities to date have been rather good on 40 and 80 cw., with 15 watts input. They include working a VK. VK5KO in Adelaide to be exact! Signal reports were RST 569! with 15 watts input on 80 metres! Where are all the QRO merchants now?

NEW CLARE HOTEL

—oo—

LICENCE GRANTED

The application by Ernest Corbett, of Bunratty House, for hotel licence for new hotel at Bunratty, County Clare, to be called the Castle Hotel, Bunratty, was granted by Judge Barra O Briain at Ennis on Friday, when his Lordship delivered reserved judgment.

The evidence and legal arguments in connection with the application took up parts of six days.

Objection was taken by the Attorney-General to the granting of the licence on the usual statutory grounds, but at the close of the case on Saturday, 11th inst., the State Solicitor for Clare, Mr. M. J. Walsh, submitted that as the P.L. Valuation of the premises had not been revised the Court had no jurisdiction to hear the application.

At one stage of the argument, Mr. M. V. Fitzgerald, B.L. (instructed by Mr. I. M. Houlihan, solicitor), for the applicant indicated that in the event of the learned Circuit Judge contemplating refusing the licence, he requested a case stated to the Supreme Court.

Granting the application, the Judge congratulated Mr. Fitzgerald on the skill with which he handled the case.
