

will not be neglected.
I have from year to year laid particular stress on the necessity of intensive food production, and it is hoped that the plots provided by the City Council on exceedingly generous terms will be worked to full capacity.

"We hope that the extension of the city boundary will greatly add to the amenities of the city, and that everybody will do everything to make the project the success it deserves.

WANTED TO STAY!

HOPED 'PLANE WOULD BE DELAYED

There was a most unusual type of passenger at Shannon Airport on Saturday night—a man who hoped his aircraft would be delayed (writes our special correspondent at Rineanna).

Had Gander and Keflavik airfields closed due to weather, as they had been doing for most of the week, he would have been quite happy. But they didn't, and the AOA Constellation, "Flagship America," that was to carry him to the U.S. was in perfect mechanical trim, negating the only other possibility of a longer stop at Shannon—a maintenance delay.

The flight left on schedule, and Emlyn Williams, the famous Welsh actor and dramatist, was speeding through the air as the B.B.C. was putting his latest play, "The Wind of Heaven," on the air.

Before leaving with his life he said: "I am disappointed at missing the broadcast, but I have to go to the U.S. to arrange for the distribution there of the latest film which I have made for Sir Alexander Korda—'The Return of Dolwyn.' I co-star in it with Edith Evans."

TURF PRODUCTION

—oo—

BORD NA MONA AND ATHEA

Rumour has it that Bord na Mona will commence turf production in Athea district in the near future (writes our Athea correspondent). All agree that this would be a Godsend. At the present time there are approximately 150 workmen in receipt of unemployment assistance in the district. It is understood that Mr. James Collins, T.D., Abbeyfeale, has the matter in hands, and the very latest report over the week-end
