...eighteen years and scored nearly at
the Savoy Cinema on Sunday night
in her adaptation of "The Song Of
Bernadette."

Here is an artiste as famous as
she is versatile and her playing and
that of her company enthralled two
capacity audiences in the vast
Savoy.

The verdict on all sides was that
it was one of the best shows of the
season.

Miss Loving has been booked to
appear in one of her famous revues
and will play at the Savoy on Sun-
day, 20 March.

DEATH OF NONAGENARIAN

There was a very large attend-
ance of the public at the interment
in the old Abbey Cemetery, Abbey-
feale, of Mr. John R. Colbert, of
Main Street. His death, at the age
of 91, removes one of the oldest of
the native residents of the town.
His kindly disposition and probity
commanded the esteem and respect
of many friends and relatives. He
was brother of Mr. Maurice Colbert,
cattle dealer, and brother-in-law of
Mr. T. D. Warren, P.C. The prayers
at the graveside were read by the
Rev. J. Halpin, C.C., and Rev. J.
Liston, C.C.

THE COLLEGE PLAYERS AGAIN

Just a fortnight after their last
production, The College Players
open next Sunday night with
Michael MacLiammoir's play—"The
Portrait of Miriam." This play has
all the characteristic genius of Mr.
MacLiammoir in an unusual setting
of an unusual play.

This production, which will run
one week, should be well worth a
visit, as there is a good blend of ex-
perienced and new talent.

Henry St., Limerick, at 3s. 9d. per
stone.

Parsnips—Mr. Michael Williams,
Ballinacarriga, Kildimo.

Biscuits—Mr. J. Dooly, Dainty
Dairy, Limerick, at 2s. 1½d. per lb.

While cycling across Sarsfield
Bridge, Limerick, last night, a
cyclist named Miss Kathleen
Woulfe, Parteen, became involved
in a collision with a motor car. The
injured girl was taken to Barring-
ton's Hospital in the Corporation
ambulance and detained.

It was learned to-day that her
condition was quite satisfactory.

THE "TRIALS" IN SOFIA

A Sofia message states that dozens
of witnesses were brought into
Court there to-day by the State in
an endeavour to pin convictions on
the fifteen Protestant pastors who
are charged with black-marketing,
espionage, etc.

It is expected that the "trial" will
conclude this week-end.

SWAM CATTLE ACROSS THE "BORDER."

While on duty at Summerhill,
near a river which is the boundary
between Monaghan and Ferman-
agh, a Constable of the R.U.C. saw
two men drive three bullocks into
the river from the Eire side and
swim them across. When the cattle
had reached the Northern bank of
the river, the Constable plunged
into the water and gave chase to
the two men, who got away. The
cattle, valued at £120, were seized.

HUGE LOSSES.

According to a report issued to
the stockholders by the directors,
C.I.E. had a loss of £1,422,328 during
the year ended 31st of December
last, bringing the total loss for two
