MANURE SPREADERS Though there is a real danger

that the use of lime on land may

develop into a fad, there is at the moment a great need for lime on most of the land in the county. For the satisfactory spreading of lime there should be a few mechanical spreaders in the county and these could also be used to distribute fertilisers. I do not know if the Co. Committee of Agriculture contemplates buying such a machine or whether the outlay would be sanctioned by the Ministry, but it is worth doing. One of the machines Saturday said that he hoped young his life or deeds. FARMERS---CAN YOU AFFORD TO LOSE CALVES?

We know that the anwser is NO! Yet, annually, Farmers and Stock-breekers lose valuable calves through the ravages of White Scour. Bistol No. 1, Grade A, if used immediately the symptoms appear will effect a certain cure. Failure to take action when the disease is first germs take a firmer hold and the disease becomes very difficult to eradicate. Farmers are bottle of Bistol on hand so that dosing may be commenced with-out delay. Bistol is a genuine remedy for White Scour which has proved its worth time and time again-so don't risk calf losses, get a bottle of Bistol

to-day.
Obtainable from Co-operative
Stores and Chemists throughout Munster. 7/6 per 10 oz. bottle, or direct from the Manufacturers (enclose P.O. 8/-)— Watson's, Chemists, 61, Sth. Great George's Street, Dublin.

The cure for White Scour

Cursox has completely cured two Calves. They were in a dying condition when I gave the first dose of Cureox. Soon I noticed a big change and they became completely cured."

We did not ask or pay for this letter from Mr. H. Aherlow, Co. Tipp. Be wise, at the first sign of grinding teeth, stretching neck, staggering, drooping, scour and curd in calves, also wool, ball in lambs, give a few doses of Gureox, and see the difference. Used in

time, Cureox never fails. 4/-, 6/6, 10/6, 20/- & 38/- a bottle Stores, or postage Sd. extra from Iroland's manufacturers of Animal Medicines.
