THE PADDOCKS, LIMERICK. WEEKLY DAIRY MARKET.

Tuesday, May 3rd—To-day's entry showed a decrease on last market, ordinary description; scarcity of top heifers, all the same a good proportion of choice and promising cows and heifers on offer; the attendance was well up to recent markets. Steady enquiry for promising heifers, which found willing purchasers at late rates, and choice heifers drew full values; secondary and poor heifers were tedious and hard to place; choice heifers found favour with prices on a par with last week. Best cows met firm trade with plenty of buyers for the right stamp, and more could easily have been sold; useful cows also looked for and sold well. Complete clearance in this section. Top price for incalf heifers again went to Mr. Shanahan, Carbeeney, Kildimo, at 148, the runner-up being Mr. C. J. O'Brien, Churchfield, Clarina, at 146. In the cow section, Mr. C. McNamara, Singland, obtained top price at 146, closely followed by Mr. Thomas Campbell, Morelands, Clonlara, at 145 10s. All round a steady trade except in the case where lots did not come up to requirements. Incalf and calved heifers, choice, 143 to 148; promising, 135 to 142 10s.; ordinary, 130 to 134 10s. Dairy cows, best, 141 to 146; second run, 135 to 140; ordinary, 128 to 134 10s.—Wm. B. Fitt and Co., Auctioneers.

THE PADDOCKS, LIMERICK. WEEKLY CATTLE AND SHEEP MARKET.

Wednesday, May 4th—Very heavy entry in all departments, considerably more than last week, and an extra good show; strong and most representative attendance, including local and shipping interests. Prime fat heifers and bullocks met appreciable competition and sold at slightly better rates; active and strong demand for choice fat cattle; nicely fed medium weighted heifers also found favour, top rates being freely paid. Cow heifers and young cows with quality, in strong demand; business active in this department, with late rates easily obtainable, and complete clearance almost effected. Mr. James Colgan, Belfield Park, Ennis Road, Limerick, sold a prime fat heifer at 166. Secondary and older cows for canning met a somewhat better trade at firmer rates; aged and forward cattle a ready sale, and freely bid for at best current rates.

Store Cattle—A large entry of choice drafts of bullocks and heifers, which were sold readily, rates again favouring vendors; useful young cattle changed hands at current rates. Yearling, the best show for some time, choicely bred heifers and bullocks in brisk demand, and drew spirited competition; promising yearling again met a good trade. In the store section, trade was buoyant. A substantial and early clearance effected.

Fat heifers and bullocks, best, 150 to 166; second run, 144 to 149 10/-; small, 137 to 142. Fat cows, 140 to 144; second run, 136 to 139; others, 126 to 133; old, 116 to 124. 2½-year-old bullocks, 140 10/- to 144. 2-year-old bullocks and heifers, best, 130 to 136 15/-; second run, 124 5/- to 129 15/-; Yearlings, best, 122 10s. to 126; second run, 117 to 121; small,

LIMERICK CATTLE MARKET WEEKLY MARKET, SATURDAY, APRIL 30th.

Dairy cows and heifers:—The number on offer totalled 165 head and was the second highest entry at the Limerick Cattle Market so far, being only eight head short of last week's record entry of 173. A strong and most representative ring, with buyers attending from many parts of the country. Bidding for the better quality animals was again remarkably good, particularly in the heifer section. The secondary classes met a quiet trade and transactions were not recorded for this description as easily as at last market, but the demand was well sustained to the end of the sale, resulting in a most substantial clearance and turnover. Top price for calved cows went to Mr. M. McKenna, Borrisokane, Co. Tipperary, at 47½ gns., the runner-up being Mr. J. A. Moran, Ballyhaunis, Co. Mayo, at 45½ gns. Store cattle:—The entry for an after the Munster Fair sale showed a substantial increase on last week, and with buyers again in very strong attendance, there was a good selling trade, with prices showing an increase as compared with recent quotations.
