

Sir—The very poor who get their principal meal at the Municipal Dinner Hall find it very hard to procure nourishing food, considering the cost of living. I refer to the period while the Hall is closed, i.e., July and August. It would be a great charity to keep it open the whole year round, bar bank holidays, etc., of course. The Committee running the business are very good, indeed. But I would like to suggest to them that the destitute of the city (and there are many) would very much appreciate the continuance of the service, especially considering the price of cabbage, meat and potatoes. The Committee require a holiday (much deserved), but God would doubly reward their sacrifice or the voluntary service of a substitute staff for the period July-August.

Yours faithfully,

"WELFARE."

SCHOLARSHIP SUCCESS

Master John Walsh, son of Mr. and Mrs. Vincent Walsh, Uregare, Bruff, Co. Limerick, a pupil of the De La Salle National School, Bruff, Co. Limerick, has won a valuable scholarship into the Augustinian College, Dungarvan, entitling him to free education for the years of his secondary school course (writes our Bruff correspondent). Master Walsh, who is under the age of 13 years, won the only scholarship available in an open examination for which many pupils from different parts of the country sat. His success is, therefore, a really brilliant one and a great credit to his teacher, Rev. Bro. Augustine, Superior of the De La Salle National School, Bruff. Master Walsh won first place in history at the recent County Feis at Kilfinane, and was one of the three boys who successfully competed for the valuable cup and medals which were presented to the best Irish-speaking trio at the County Feis at Kilfinane. He is to be congratulated on his series of successes and particularly in winning the valuable scholarship.

DEATH OF MR. MICHAEL O'DONOGHUE

The news of the death of Mr. Michael O'Donoghue, Mungret, came as a profound shock to his many friends. His passing will be felt especially by the Mungret Fianna Fail Cumann, of which he was Hon. Treasurer. He had been closely connected with the Fianna Fail Party since its foundation and was a founder member of the Mungret Cumann. He was also a member of the Old I.R.A.
