POPULAR CITIZEN

DEATH OF MR. VINCENT O'DONOVAN

With very sincere regret we chronicle the demise of Mr. Vincent O'Donovan, Garage Proprietor, which took place most unexpectedly last night at his residence, Revington Park, Limerick.

A son of the late Mr. Daniel O'Donovan, tobacconist, the deceased was held in very high esteem and regard, and the news of his death has occasioned profound regret and sorrow. He was a gentleman of many excellent traits of character, one who endeared himself to all by his kindness of heart and affable disposition.

A lover of sport generally, his favourite pastime was rowing. Since the days of his youth he was a member of Limerick Boat Club, and in the course of time he came to be recognised as a cox and coach of outstanding merit. He took a special interest in the training of maiden crews and it was largely through his exertions that L.B.C. was able to turn out young oarsmen of finesse. He was a former captain of his Club and had the distinction of being a member of the crew that won the Leander Cup some years ago.

We join with the general public in tendering heartfelt sympathy to his young widow, mother, brothers and relatives in their bereavement.
