## CIVIC ADVANCE CHARLEVILLE WEEK

Civic Week, sponsored by the local Town and District Development Association, opened in Charleville on Saturday and will conclude on next Sunday night (writes our Charleville correspondent). Notwithstanding the lateness of the season, coupled with the unpleasant weather conditions prevailing, it has, so far, been a very successful venture, and the various attractions, especially in the shops as well as the amusement end of the programme provided by Messrs. Birds, are receiving unstinted support. The business establishments in the town have co-operated to the fullest extent with the Development Association and have presented a number of valuable prizes, such as suit lengths, hams, legs of mutton, etc., while there are also discount sales in the shops. The Carnival has brightened up the social life of the town as well as encouraging the promoters to embark on a more ambitious scale next year. The profits will be spent in furthering some scheme for the social welfare of the town.

## HURLING FRIDAY MUNGRET DEFEATS ROCKWELL

The Mungret College hurlers followed up their recent success at St. Munchin's and Christi College by winning the Keane Cup with a notable victory over Rockwell College in a match on Sunday.

The supremacy of the Mungret team was very marked. The forwards were lighter they were faster and quicker to strike. Mungret kept all the way through a first half to turn over Rockwell, 3-4; Rockwell, 2 goals. In the second half the Mungret centrefield pair, Murphy and O'Shea, took a firmer grip on the ball and the forwards made full use of their claims. O'Shea, with his quick runs, Canning, Phillips and O'Shea contributing to a decisive victory. For Rockhill, whose forwards showed up well, D. Healy and O'Shea fought hard to stem the Mungret onslaught. Result—Mungret College, 4-1. Referee, Mr. D. Geaney.
