## THE 1916 MEMORIAL

### MEETING OF COMMITTEE

At the usual weekly meeting of the Limerick 1916 Memorial Committee, held on Sunday, 4th inst., Mr. P. Doyle reported that, as delegated, Messrs. J. Halpin, M. Danagher, and he had waited on the Limerick Executive of the Irish Transport and General Workers' Union, and had been received in a most courteous and friendly manner. The deputation had explained the object of their mission, and as a result felt assured that from the members of the different societies affiliated with the Union, as well as from the officials, substantial help would be forthcoming.

The Committee expressed satisfaction with Mr. Doyle's report, and proceeded to appoint a deputation to wait on the Chamber of Commerce with a view to securing the co-operation of that body in their work. The following were selected:—Messrs. S. Lanigan, K. Bradshaw, F. Glasgow, E. Doré, M. Danagher and D. Dundon.

## LIMERICK MAN'S DEATH IN U.S.A.

The death has taken place at Bronx, New York, U.S.A., of Mr. James Clancy, formerly of 2 Sheep Street, Limerick. The deceased belonged to one of the oldest and most respected Limerick families and was a member of the old Guild of Abbey Fishermen. He emigrated to the U.S.A. 22 years ago and some of his brothers and sisters reside there at present. He was always generous with his subscriptions to every movement for the betterment of his native country. He was brother of Mr. Gerard Clancy, a member of St. Mary's Hall, to whom we tender our sincerest sympathy.

civilisation, for nine-tenths of the population are Arab and the atmosphere is predominantly Eastern. As one travels in this land, it is noted that civilisation has advanced but little in the last two thousand years. Mule and camel are the mode of transport. The Youth Hostel movement in Tunisia is young, but full of enthusiasm, and one cannot but notice the spirit of friendliness which exists.

## LIMERICK SOCCER CLUB

### APPOINTMENT OF COACH

Jock McCosh, who came into prominence in League of Ireland football as coach to the Drumcondra Club, will take up a similar position with Limerick as from this week. His appointment was approved of at last night's meeting of the Limerick Club, but it is understood that the Club is also on the look out for a player-coach, probably a centre forward.

The coming week-end will be a busy one for Limerick, as they meet Albert Rovers on Saturday, at Cork, in the Munster Senior Cup semi-final replay, and on Sunday they meet Shamrock Rovers in a very vital Shield tie for the latter. This match should be full of interest as Rovers will go all out to snatch a point at least that would enable them to win the Shield. The Limerick team is a strong one, and it would cause no surprise if Rovers' colours were lowered.

For their match against Albert Rovers, the Limerick selectors have been helped in their selection by the local Shelbourne Club, who have not stood in the way of Proctor and W. Aherne assisting the senior string. The latter will not be overawed by the occasion.

The teams are as follows:—  
**Limerick** (against Albert Rovers)  
—Cowhey; C. Neilan, Holman; Proctor, Boylan, W. Aherne; Keogh, Cunneen, J. Neilan, Johnson and Hardaker.  
Against Rovers—Hayes; Holman, Casey; O'Donnell, Boylan, Cusack; Lipper, Cunneen, J. Neilan, Johnson, Hardaker.
