

COW THAT BECAME STRIPPER

KILMALLOCK COURT CLAIM

Because a cow calved a month later than guaranteed by the vendor, the purchaser of the cow sued at Kilmallock Court on Thursday of last week for alleged breach of warranty.

Plaintiff was William McCarthy, Billinanima. His claim for £20 9s. was against Robert Buckley, Adamstown, Elton.

Mr. W. W. McCarthy, solr., was for the plaintiff. Mr. J. Binchy, solr., defended.

BECAME STRIPPER.

Plaintiff swore he bought a heifer from defendant on Januray 16th, 1948. Buckley guaranteed the heifer would calve on May 10th. Actually there wasn't a calf until June 18th. Between the two dates, witness lost money for milk and because the cow became a stripper. Had the heifer calved on the warranted date she'd easily have milked four gallons a day.

DEFENDANT'S CASE.

The defendant's evidence was that because of the month's delay in calving the plaintiff actually gained because the heifer would have milked later into the year when milk was scarcer. At the outset of the dispute the plaintiff offered to settle for £6 10s. Witness agreed then to pay £5.

Justice Crotty said he thought the plaintiff's claim was much exaggerated. He gave a decree for £6 with costs and £1 expenses.

DIED IN CHICAGO

The news has been received in his native Limerick of the death in Chicago on February 27th of Mr. Vincent Quin. The late Mr. Quin, who emigrated to the U.S.A. 38 years ago, was a son of the late Joseph and Mrs. Quin, formerly of 10 High Street, Limerick.

The deceased leaves a widow, two sons and one daughter to mourn his loss.

To his widow and family and brothers and sisters deepest sympathy will be extended.

11,000 DOLLARS

LEGACY FOR LIMERICK

CHILDREN

ANNIE CANTILLON, 14 O'Donoghue Lane, Garryowen, was to-day, in the Limerick Circuit Court, appointed guardian of her three children, Michael, Bridget and William, for the purpose of administering an American legacy.

Mr. J. McMahon, B.L. (instructed by Mr. N. S. Gaffney, solr.), for the petitioner, said the three children were left one-sixteenth each of the estate of Mary Laffey, who died intestate in New York in March, 1949. The estate was valued at 13,000 dollars gross, about 11,000 dollars net.

The children's father, he said, died in 1945, and since then their mother had custody of them, educating and maintaining them. Michael, who was 17, was a clerk in a Limerick shipping office, earning 15- a week. The petition was to appoint the mother guardian, and to authorise her to receive the distributive shares of the estate and to have them lodged in the Irish Court for payment out.

Mr. McMahon then told Judge Barra O Briain at great length of the legal technicalities of having the money transferred to the children from America.

The Judge made the required order appointing Mrs. Cantillon the children's guardian for the purpose of receiving the money on their behalf.

DEPARTMENTAL POST

Mr. Patrick Harrold's many friends in Clouncagh and Knockaderry were very glad to learn recently of his appointment as Horticultural Instructor and Bee Keeping Culturist for Tipperary (writes our Knockaderry correspondent). "Paddy," as he is popularly and affectionately known, is a great supporter of our national pastimes and played with his home team, Knockaderry, against Rathkeale in the Egan Cup tie at Knockaderry on Sunday last.

VISITORS SPEAK

After the speakers College two visitors spoke

Dr. Hubert Roche-Kelly for the "Government," and that the wholesale spread of electrification brought definite advantages to the country in general, apart from the abuses resulting from the total use of it put the in a very vulnerable position.

Mr. P. G. Collier, B.E. that he was in full agreement with the "Opposition." Electricity brought superlative advantages to the poor and rich alike.

peoples' lives, made them bright, and enabled them to forge ahead on new lines. The benefits of electricity were within the easy reach of all, and would be incomplete.

Both guest-speakers commended the speakers of both sides for the eloquence and cogency of their speeches.

Very Rev. Father T. S.J., Rector, joined in praising the general standard of eloquence maintained by the boys and the merits of Electrification.

When the motion was put to the vote, the opposition won by a narrow margin.

Rev. Father Bates, S.J., presided, concluded the meeting with a final word of congratulation to the speakers, and of thanks to the audience who had come to listen to the speakers, who were encouraged by being accorded a sympathetic hearing.
