

out 1100 A.D., entirely of wood and in perfect state of preservation, thanks to the stout wood and thick coating of tar which covered the outside. It was a truly beautiful sight, especially with its mound of a large stone cross and the grave of an ancient Norseman. Incidentally, the final destination of the bus that took us to the church was "Paradise" (turn tickets issued). We had to look slippery to catch the train out of Bergen for the superior, and when we missed the last funicular carriage down to the hostel to Bergen and were at the next one would not be in time to catch the train, a gentle persuasion ensured a special trip down was made. The train journey was uneventful, apart from the fact that a thirsty one just went into the corridor and helped oneself to water from the waterbottles and provided. We then disembarked at Voss and had a special excursion ourselves, the driver stopping during the journey via Stalovang to Gudvangen in order that we could admire the various views and take photographs. At Gudvangen we found that the hostel was attached to the hotel, where meals were of the seemingly endless help-good, well-cooked and tasty. There was an introduction to the people we were to receive during the course of our tour. Gudvangen is situated on a fjord and boasted a fine stage, and from this we went the next morning in one of the little steamers that transport passengers, merchandise and goods from village to village on the fjord. Sunning ourselves in the chairs, jumping up every now and then to take photographs of the beautiful scenery, we were very glad to leave the little ship and have arrived at our destination in a tug. Continuing our journey by bus along the dusty roads in the interior are (unmetalled), we stayed that night at Sogndal, after a swim in the lake had been enjoyed by several of the party.

So, until our next issue, we are happy group of hostellers, concentrating Norwegian counter-experiences the great practical advantages of the youth hostel movement.

Item that stands out most in the work of the Group activities over the past year was the inaugural meeting of the movement in Tipperary. Whether a personage than Mr. J. Cahill, President of the Executive Board, presided at the meeting of his fellow townsmen. Mr. Liam Purcell, of the Executive Committee, and other Limerick members explained in full the aims and ideals of the organisation. Mr. Cahill, in an address, said he was very glad to be associated with such an exalted Association. The humble beginning some

Mr. T. Gleeson gave a choice selection of airs on the piano-accordion.

## LIMERICK DEAN DIES ABROAD

Very Rev. Dean Thomas Lynch, a native of Barnaquiraha, Anglesboro, Co. Limerick, died in a Sydney (Australia) private hospital on March 28th.

The late Dean Lynch was educated at Anglesboro National School, Mount Melleray, and St. Coleman's College, Fermoy. Continuing his studies in St. Patrick's College, Thurles, he was ordained in 1922, leaving for Australia the same year.

Last year, Dean Lynch spent a long holiday at home with his brother, Mr. Sean Lynch, Knockadea, Ballylanders.

Dean Lynch was also a brother to the late General Liam Lynch, Chief of Staff, I.R.A., who was shot during the Civil War. Another brother is Rev. Brother Lynch, C.B.S., Kilrush. The Dean was uncle to Mr. Jerry Mullins, Gaelic League Teacher, Dromcollogher. Requiem High Mass for the repose of the late Dean's soul was celebrated by Very Rev. C. K. Dunne, P.P., in Ballylanders Church last Saturday. The following clergy assisted the celebrant:—Very Rev. F. Hourigan, P.P., Kilbehenny; Very Rev. F. Carroll, P.P., Glenroe; Rev. Father Morris, C.C., Ballylanders; Rev. Father Crowley, Ballylanders; Rev. J. O'Mahony, C.C., Kilbehenny; Rev. Father Mortell, C.C., Mitchelstown; Rev. Father Lyons, C.C., Glenroe; Rev. Father Egan, Middleton.

Also in attendance at the Mass were—Rev. R. Barrows, Bathurst, Engowra, N.S.W., and Rev. Father Coffey, Adm. Canberra Gold Burn, N.S.W.

## CHARLEVILLE AND MUINTIR NA TIRE

With the object of linking up the Charleville Development Association with Muintir na Tire, two members of the National Executive of the latter body attended a special meeting of the Development Association in Charleville on Friday evening last.

Messrs. T. Herlihy, Organising Secretary, Muintir na Tire, and Wm. O'Donoghue, National Executive, addressed the meeting by invitation. Both were welcomed warmly by Mr. T. R. Murphy, C.C., presiding.

Mr. Herlihy said that but for the existence of the Development Association, Charleville would have had a Muintir na Tire Guild two years ago. The existing body had done a considerable amount of useful work for the welfare of the town; were they to amalgamate with Muintir na Tire, more work would be done for the town itself and its contiguous area.

Mr. O'Donoghue gave the meeting an outlined history of Muintir na Tire and told of its aims and objects.

Mr. O. S. Binchy said Muintir na Tire seemed to have the very same objects as the Development Association.

After some discussion, the Chairman proposed that the question of amalgamation with Muintir na Tire be deferred until after the Association's annual meeting.

This was agreed to unanimously.
