tem, it was said that in the circular letter received from the Minister some were suggested to be fixed on houses being built or about to be built and that the City Manager seemed to be going outside his instructions in bringing into the scheme houses that were erected prior to the receipt of the circular letter from the Minister.

The meeting then adjourned. A general meeting will be held on Thursday, 22nd instant.

## TELEPHONE-TELEVISION

People making telephone calls may soon be able to see the person they are talking to at the other end of the line. United States Army Signal Corps have produced a "visual" 'phone set. People making calls in special booths were astonished to see the images of the person they called play on the screens as soon as the telephone connections were made. There was a concealed television camera in each booth.

## SCHOOLS' ROWING CHAMPIONSHIP.

The Irish Amateur Rowing Union has granted the status of Schools' Championship of Ireland to the Schools' Metropolitan Challenge Cup at the Metropolitan Regatta, which takes place at Islandbridge, Dublin, on July 7th and 8th. Entries for this race close on July 1st.

---

## FEATHERS IN DEMAND

Feathers are in great demand at the moment (writes our Killaloe correspondent) and prices paid average a 25 per cent. increase. A "swarm" of buyers descended on Killaloe on Friday and Saturday of last week, making many purchases.

---

## CHOKED BY DENTURES.

When Peter Tichy (40), of Baltimore, was hit on the chin in a bar-room fight, his denture lodged in his throat and choked him to death. This was disclosed in a medical examiner's report.
