with the dollar area. "If that can be brought about," he said, "dollars will be earned automatically." He agreed that Irish trade with Canada was in a "lop sided" condition, with imports from Canada running about ten times as high as Irish exports to that country.

"I think," he suggested, "that the balance might be made more reasonable by exporting Irish tweeds to Canada. There is a very definite market for that very fine material there."

DEATH OF NUN

ABOUT 40 YEARS IN RELIGION

At the Convent of the Incarnate Word, Houston, Texas, U.S.A. (writes a correspondent), the death occurred recently of Sister Antoinette O'Sullivan, a native of Corbally, Killrin, Kanturk, Co. Cork. This nun left home about 40 years ago to join the Holy Order of the Incarnate Word with her two sisters, Sister Mectilde and Sister Thecla, Cleveland, Ohio. They were home 26 years ago, and took out postulants and visited their relatives during their stay. Their brothers were Cornelius O'Sullivan, Dungarvan, Co. Waterford, and the late Patrick O'Sullivan, coach-builder, Wolfe Tone Street, Kilmallock. Sister Antoinette was aunt to Father James O'Sullivan, Wolverhampton, England.

MUNSTER FAIR

PRICES SLIGHTLY LOWER

There was a good attendance at the Munster Fair in Limerick this morning. Heifer beef was scarce and prices on the whole were a bit lower than at last month's fair. This was especially the case for poorer store cattle.

Good beef cattle sold well. Three year old bullocks realised £45 to £55 on an average, while two and a half year old bullocks went from £30 to £35. Cows for canning sold well and they made prices ranging from £20 to £35. Bulls realised 70/- per cwt.
