WORST STORM FOR MANY YEARS

Reports received from all parts of County Limerick show that the storm on Saturday night and Sunday morning raged with fierce intensity in the several areas. Corn was much injured and harvesting work in general got a further serious set back. Trees were blown down in many places and telegraph and telephone wires were in some districts damaged as a result. In both fierceness and destructive results the storm was the worst experienced in County Limerick and all over the country for many years.

BALLYLANDERS FATAL ACCIDENT

Coming home from shopping in Mitchelstown last Friday night, 64-year-old James Hickey, Ballylanders, was fatally injured when struck by a lorry and trailer. He had walked the eight miles between Mitchelstown and Ballyfauskin when struck.

An inquest into his death last Saturday held by the Deputy Coroner for East Limerick, Dr. O'Connor, and a jury, was formally opened and adjourned at the request of Supt. H. J. Keegan, Bruff, who represented the Gardai.

RETREAT AT FOYNES

On Sunday last the annual Retreat opened in Foynes, being conducted by the Redemptorist Fathers. The first week is for the women of the parish and the second week for the men. Rev. Fathers Harris, C.S.S.R., and O'Carroll, C.S.S.R., are the preachers.

The Retreat also opened in Robertstown Church for men and women. In both places the attendance in the morning and at night is excellent and very edifying.
