PRESENTATIONS

Tributes To Railway Officials

PLEASANT FUNCTION

A VERY pleasant function took place in the District Superintendent's Office, C.I.E., Limerick, on Saturday, September 23rd, when the staff attached to Limerick and District made a presentation to Mr. D. Sheehan, District Superintendent, and Mr. H. Costelloe, Assistant District Superintendent, on the occasion of their transfers, on promotion, to Kingsbridge and Tralee, respectively.

THE GIFTS.

The presentation to Mr. Sheehan took the form of an inscribed cabinet wireless set for him, with lady's travelling suitcase and handbag for Mrs. Sheehan. Mr. Costelloe was presented with a suitably inscribed gold watch.

There was a large and representative attendance of all sections of the staff.

In making the presentations, Mr. S. J. O'Reilly, Chief Clerk, District Superintendent's Office, paid a high tribute to the gentlemen concerned. He wished them every success in their new appointments and hoped that these promotions would prove to be a forerunner of better things to come.

Other members of the staff also spoke. They expressed regret at the departure of the two officials and wished them every success in their new spheres.

RECIPIENTS' REPLIES.

In replying, Mr. Sheehan stated that he was particularly impressed at seeing such a representative gathering, which comprised all sections of the staff. It certainly showed a spirit of unity amongst the staff who were now merged under his administration. He regretted very much leaving Limerick, where, he stated, he spent some of the happiest years of his life, and he would always remember his association with the Limerick staff, which was second to none. He expressed his deep appreciation of the presentation on behalf of himself and Mrs. Sheehan.

Mr. Costelloe, in his reply, stated that he was deeply grateful for the presentation, and although only a short time in Limerick he would take away many pleasant memories.

MR. SHEEHAN LEAVES FOR DUBLIN.

Mr. Sheehan left Limerick this afternoon for Dublin to take up his new appointment as District Superintendent at Kingsbridge. He certainly carries with him the golden opinions and good wishes of his many personal friends and the general public in Limerick, all of whom held him in the highest regard not only as a very competent but particularly courteous and kindly official.
