The Southern Serenaders made a hit previously on the Savoy stage. Last night they again gave immense satisfaction to their hundreds of followers. This group of Limerick men can serenade with the best, especially in the "Dixie Minstrel" section. Their musical director, Mr. Tom Gleeson, had them in great voice last night, but there was that slight tendency to over-do the production. Still, every moment was a pleasure for those who like to hear a "darkie" song. This enterprising group brought to the microphone a number of very pleasing vocalists and some accomplished musicians.

BLEND OF HARMONY.

There was an appreciable blend of harmony in the choruses, and there was some good humour served by Mr. Tommy O'Brien, the ventriloquist with his "partner," Johnny. Solos with choruses were rendered by Messrs. E. Purcell, E. Morrissey, D. Daly, M. Doran, P. O'Donnell, P. O'Shea and T. Gleeson. Messrs. Tom Gleeson and Paddy Egan played the "American Medley" on their banjos, and it went over very well. The applause at the end was sufficient to show the "Southern Serenaders" are extremely popular.

Mr. Enright's community sing-song at the interval added further cheer, and Mr. G. I. Riordan made an excellent hand of the task devolving on him as compere.

of conversation with the subject upon whom he was operating, and the Judge noticed the absence. Mr. Reneke came from Altona, near Hamburg, and had a very prosperous business in Bray.
