ASSUMPTION OF OUR BLESSED LADY

O, Mary, assumed into Heaven above.

With loving hearts we greet thee,
Rejoicing to see thee raised on high,
While Heaven descends to meet thee!

Angelic host thy guard, beyond
The highest choirs of Heaven,
Rejoicing in the glory, which
The Lord to thee has given!

CHORUS.

Hail! O Mary, Queen of Light,
Crowned beside our King!
Hail! star of our starless night,
All praises to thee we bring!

O, Mary, assumed into Heaven above;

Past all earth's grief and sadness,
Beside Thy Son, thou art throned in light.

'Mid everlasting gladness!
The angels rejoice to call thee
"Queen."

Exulting in thy splendour;
But we, poor exiles, need thee most
As "Mother," loving, tender!

(Chorus) Hail, O Mary, etc.
