## DEATH OF MRS. MARY HISTON

Widespread regret has been occasioned by the death of Mrs. Mary Histon, wife of Mr. Patrick Histon, Churchtown, Newcastle West, who passed away on Sunday morning after a comparatively brief illness and in the prime of young womanhood. Deceased, who belonged to a highly esteemed and widely respected West Limerick farming family, was a lady of many outstanding qualities and her untimely passing has evoked very sincere sympathy amongst a very wide circle of relatives and friends. Although she had not been in robust health for some short time past her death came as a very severe shock to her sorrowing husband and daughter, to whom, as well as to the numerous other bereaved relatives, the sympathy of all sections will be extended. All classes were represented in the huge funeral on Tuesday from Newcastle West Parish Church to Churchtown Cemetery. The late Mrs. Histon was sister-in-law of Rev. Simon Histon, C.C., Argentine, and sister of Mr. James Griffin, Duckateen, Ardagh.

## NO GROUNDS

### COURSING MEETING OFF

At a special meeting of the Galbally Coursing Club, held in the Hall, Galbally, on Thursday night, November 16th, Mr. Patrick Scallan, Vice-Chairman, presiding, it was decided to abandon the annual coursing meeting, after the Secretary had informed the meeting that no suitable grounds were available to hold the annual fixture this year.

A good prospect, the Secretary went on, of obtaining suitable accommodation in 1951 was in view, and the Club decided as above.

The Club further decided to return in the near future all monies borrowed for the repair of the Hall last spring.

Other routine matters having been disposed of, the meeting adjourned.

### CANARY AGED 22

Mr. James Griffin, Ennistymon, Co. Clare, owns a mule canary which is 22 years of age (writes our Ennis correspondent). Bird fanciers consider this is a remarkable age for a cage bird. Is it a record? The bird is active and in good health, but it ceased to sing last year.

### CROOM FAIR

Croom November fair was of large dimensions, and there was a good attendance of buyers. Trade was very brisk and there was a good clearance.
