## LEFT LIMERICK

### FRENCH CAFE CLOSED

Jacques H. L. Dore, a French national, who opened a restaurant at 49, O'Connell Street, Limerick, last September, has left Limerick. It is believed that he has returned to France. He was not deported.

Recently, Dore was given notice by the Gardai that he would be required to leave the country within ten days. By way of reply to this notification he submitted a statement, the effect of which was that the French police had made a mistake by confusing him with some other person.

In view of this development Dore's stay in this country was extended but before the second period fixed had expired he left Limerick. His cafe is now closed.
