Fordson SERVICE TO THE OWNER. "If I buy a tractor, what kind of interest will the manufacturer take in the machine after I have parted with the money?" We can assure you that the reputation of the Fordson rests very largely on the attention paid to this matter. An abundant supply of standardised spare parts is normally available for the purpose of ensuring expeditious replacement when necessary. These stocks are also standardised because FORDSON TRACTOR dealers have realised the importance of quick cheap and reliable "service" they are ready to send anywhere within the sphere of their operations, mechanics in response to an urgent call. Except in rare cases do you have to send the tractor to the repair man. The repair man COMES TO YOU.

HINTS FOR THE HOME. BY A PRACTICAL HOUSEWIFE.

UNDRESS. Whatever is done conscientiously and thoroughly about someone else's work, whether in the home, or the office or elsewhere, and it is a very wise plan to teach children early to clean up after themselves...

AIRING YOUR SHOES. Shoes should never be put into an cupboard. The leather gives off a strong odour, which should certainly never be allowed to permeate an cupboard where clothes are kept...

A KNITTING TIP. For knitting fish jumpers, stockings or other articles of fine texture it is very difficult to obtain long needles which are strong enough and fine enough for such work...

WOOD FIRES. In the first place, writes an old Colonial, let me say that it is not economical to burn both coal and wood together. The rate of combustion of the two are entirely at variance...

ENGLISH. I. COMPOSITION.—The writing of an essay or of a précis or a passage or other matter supplied in the question is not to be taken for an Irish and use of the language is to be observed...

LATIN. I. Passages from Latin Authors for translation into Irish or English; 2. A passage or passages of Irish or English prose to be translated into Latin; 3. Roman History, from 91 B.C. to 70 A.D.

MATHEMATICS. ARITHMETIC.—1. Compound Interest; Profit and Loss; the use of Logarithms. It is to be done in four parts which will be supplied at the examination...

ALGEBRA.—1. Simple equations involving two or more unknown quantities and problems; quadratic equations in one variable; unknown quantities; elements and problems involving logarithms; 2. Simultaneous equations in two variables involving solution of simple or quadratic equations...

GEOMETRY.—1. An amount of geometrical knowledge will be expected approximately equivalent to that contained in Euclid, Books I, II, III, IV, V, VI, and the definitions of Books V, Definition. Students may be required to give algebraical proof...

GERMAN. 1. Translation from German into Irish or English of one passage (two prose, one verse, one scientific) of the German literature and history. 2. Translation from Irish or English into German prose or verse...

ITALIAN. 1. Translation into Irish or English two prose passages of a general character. (To be attempted by all candidates). 2. Translation from Irish or English of one of three passages, respectively of literary, scientific or commercial character...
