LOT 1—The Residence is a picturesque two-story dwelling, with red tiled roof, containing entrance porch, lounge hall, a sitting-room, 5 bedrooms, servant's apartments, kitchen, with range, with fireplace, staircase and passage, 3 lavatories, 3 closets, with bath and water, radiators and drying closet, laundry, pantry, dairy, storeroom and workshop, there are two stair-cases to the upper story. The out-offices stand within an enclosed yard adjoining the house, and comprise a range of stabling containing 4 loose boxes and stall, harness room, coach house, garage, large loft, granary, calf house, cow house for 12 cows, two large pigsties, 2 out-houses, galvanised roof, open to hold 50 tons, covered shed for timber and turf. There is an abundant supply of good water for a horse, pumped by a hydraulic ram which requires no attention in working.

There is a well stocked and enclosed fruit and vegetable garden adjoining the residence, and there is a flower garden, tennis court, and pleasure ground, planted with ornamental shrubs, surrounding the house, with entrance gates and drive leading to same. The lands contain 100 acres of land, in a very fertile soil, divided into suitable fields, well fenced, and with a good water supply. They are naturally of excellent quality, and have been kept in good heart and sound condition, and yield abundant grazing for any class of stock. Portion of the lands have been tilled recently, and yield excellent crops. At one end of the holding away from the residence is a tilled house with a plot of ground, which is at present sub-let to a weekly tenant at 210 per annum. The interest in the rent payable out of this lot is 250 per cent.

LOT 2—The accommodation land is in two divisions, one lying between the Blackwater River on the one side, and containing about 15 1/2 acres, Statute Measure. This is a very happy & convenient division of accommodation land, yielding first class and suitable for any class of stock, with a cover falling water supply from the Blackwater River, which forms one of the boundaries of the land, and is most conveniently situated for many purposes. The interest in the rent payable of this lot is 250 per cent.

LOT 3—The other division lies to the north of the road to Duggan, adjoining the second holding, and containing about 1 1/2 acres, Statute Measure. This division has been recently tilled and newly laid out in grass, and is in excellent heart at the present time. The interest in the rent payable of this lot is 100 per cent. These two divisions can be very easily worked as one, and form a very valuable addition to any farm.

The three holdings are held under agreement to purchase under the Land Act, 1903 to 1906, subject to interest in lieu of rent amounting to 250 per cent per annum, and reducing to about 24 per cent per annum, the P.L.V. is 25 10/0, and 231 per cent per annum. There is a favourable charge of 10 per cent of the Board of Works for repayment of loan which has about 8 years to run chargeable on lot 1.

The residential holding is undoubtedly one of the most attractive, within convenient distance of the city. The residence itself is a thoroughly modern up-to-date dwelling, most conveniently planned and arranged, with every modern convenience, and is in excellent repair. It is equipped with every modern improvement internally. Nearly all the timber work consists of well seasoned native oak, with iron ornaments, and it has been regularly painted and kept in order. There are several plantations of useful and ornamental trees on the holding. The lands are in a healthy and fertile soil, and are well adapted for any class of stock, and it will recommend itself at once on inspection.
