THOSE IN SEDENTARY OCCUPATIONS are very apt to suffer from digestive disorders. As a rule they do not get sufficient exercise to keep the stomach and liver in good working order and constipation has to be constantly combated. Perhaps more than any other class of people they require the stimulating influence of the world's finest digestive tonic and aperient—Beecham's Pills. This medicine offsets the evil effects of indoor sedentary work. It enables you to keep as fit and fresh as your task as if you were working out of doors. That is why you SHOULD TAKE BEECHAM'S PILLS. Sold everywhere in boxes, price 1/11 (56 pills) & 2/9 (168 pills.)
