IMPORTANT BUSINESS

People are apt to forget that health management is the most
 important business in which they can be engaged. It requires
 only a few moments' reflection, however, to realise that,
 if through neglect or ignorance one's health is injured all
 one's efficiency and enjoyment of life is impaired. You simply
 cannot afford to let yourself get run down or to ignore
 any symptom of impending ill-health. Whenever you have
 any reason to believe that your stomach is out of order or
 that you are inclined to be bilious or constipated, you will
 be wise to take a dose of Beecham's Pills and to continue
 taking them according to directions until you feel
 quite all right again.

BEECHAM'S PILLS.
