TO BE SOLD BY PUBLIC AUCTION At the Agricultural Hall, Limerick. On Saturday Next, 26th March, At 12 o'clock.

EBRILL BROS ARE instructed by Mr Pat O'Gorman (who has purchased a larger holding to sell, as above, the interest in the desirable Farm. The Dwellinghouse is a substantially built single storey slated house, containing the usual accommodation, and the out-offices which adjoin it comprise—Lean-to galvanised roof car house, galvanised roof stable for two horses, and two houses for calves or pigs, galvanised roof house with bath for two cows. There is a small haggard planted with vegetable adjoins the house.

The lands are nearly all in grass except about an acre under tillage, and are principally sound, high-lying upland of excellent quality with great depth, warm and kind, and yielding abundance of prime grazing throughout the year. The lands are amply supplied with water from two spring wells. A small portion of the lands is rich deep coarse which yields excellent returns of prime feeding hay.

The tillage land contains about 1 acre, and is of very good quality, and there is another portion adjoining newly laid down in grass. The entire holding is held in fee simple under Land Act, 1903, subject to an annuity of £22 6s 6d; Poor Law Valuation, £45 15s 0d.

The holding is very conveniently situated close to the main road to Limerick, and about 3 miles from the city, and in a district where additional grazing or mowing can be secured. They can be easily worked as a dairy farm, with a ready market for the produce always available in the city owing to its proximity.

This holding will commend itself at once to those looking for one of its class, as the lands are of excellent quality, conveniently situated, and easily worked to advantage without trouble or expense, and it is not often that one so good ever comes on the market.
