 By instructions of Michael Healy, Esq.

THIS Land is noted for its prime fattening qualities, and most suitable for dairying  
 or young stock, and at present is under grass of very rich quality, with the excep-  
 tion of about 2 acres of tillage (1 acre already sown with winter oats), conveniently laid  
 out in nice 1/2 furlongs, no waste, well fenced, with excellent sheltering over entire  
 farm, and an excellent water supply. There is also a valuable gravel pit on the lands,  
 with a good sized fruit and vegetable garden adjoining the house, most tastefully laid  
 out.  
 The Residence, a handsome slated two-story substantial one, contains hall, dining  
 room, drawing-room, 4 bedrooms, large kitchen (with range), also a back kitchen,  
 scullery, servants' apartments, etc., with good sanitary arrangements.  
 The Slated Outbuildings standing on a spacious yard comprise:—Stalls for 50 cows,  
 ample stabling, coach house, 2 store houses, pigsties (with concrete floors), hay barn  
 (75 tons), all in perfect order. With pump close to yard.  
 The Auctioneers wish to direct particular attention to this important sale, as it is  
 seldom such a valuable form of such fattening qualities with an up-to-date residence,  
 out offices, etc., comes on the market, and having regard to the central position for the  
 fairs and markets of Limerick and Brest as well as being only half a mile from Bally-  
 neety Creamery, a most favourable opportunity is offered for acquiring a residential  
 property of considerable value, which will be fully appreciated on inspection.  
 Usual commission of 5 per cent.
