KEEP A SHARP LOOK-OUT

While one should not be over anxious about one's health, it is advisable at the same time to be on the look-out for any symptom of digestive trouble or constipation. Prompt action is always the most effective and a dose of Beecham's Pills at the onset of an attack is generally sufficient to prevent developments. At any time when you find that your bowels are not acting freely or regularly, or when you have reason to believe that your stomach is somewhat out of order, you should at once get your box of Beecham's Pills and take a dose.
