JOHN M'BIRNEY & GO., LTD.

THERE is always a reason when there is a huge demand for an article, and in the case of our mattresses it is because they are well made, well filled, restful to lie upon, and reasonable in price, that they sell so consistently and in such large numbers.

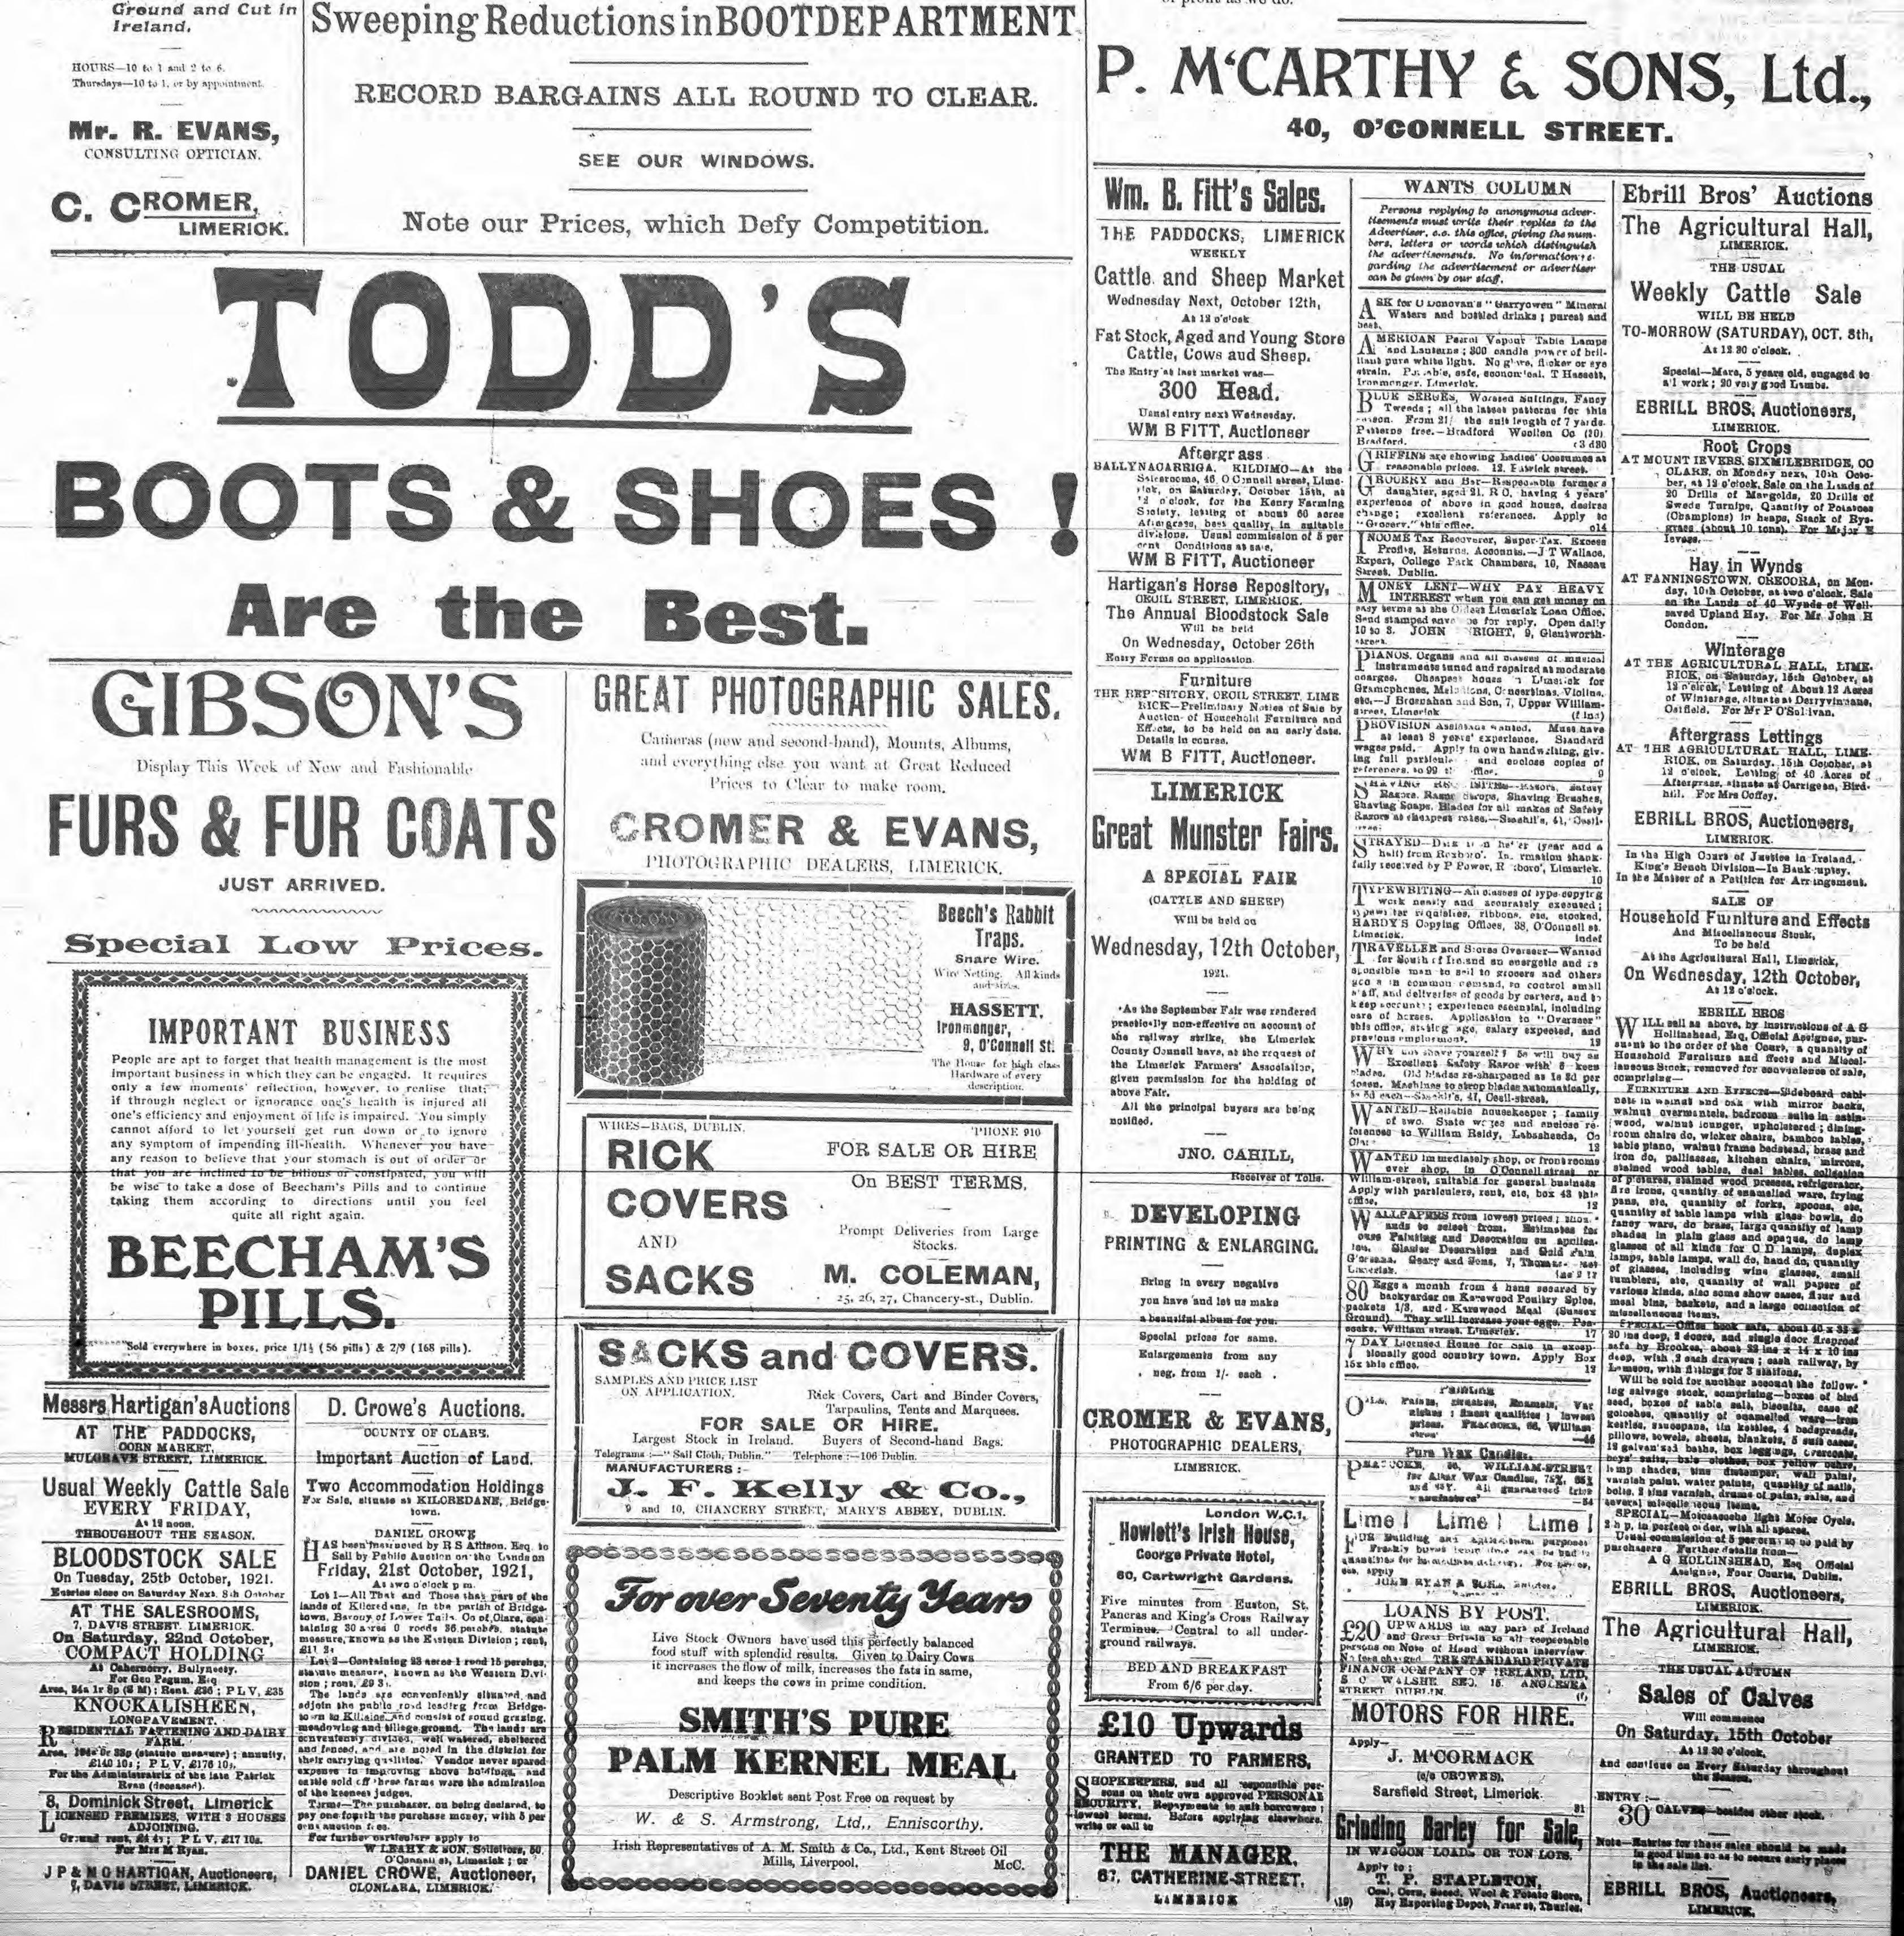

Recently we signed a contract to take 5,000 of these mattresses by Xmas, with the result that while maintaining the quality we are able to reduce the price of them.

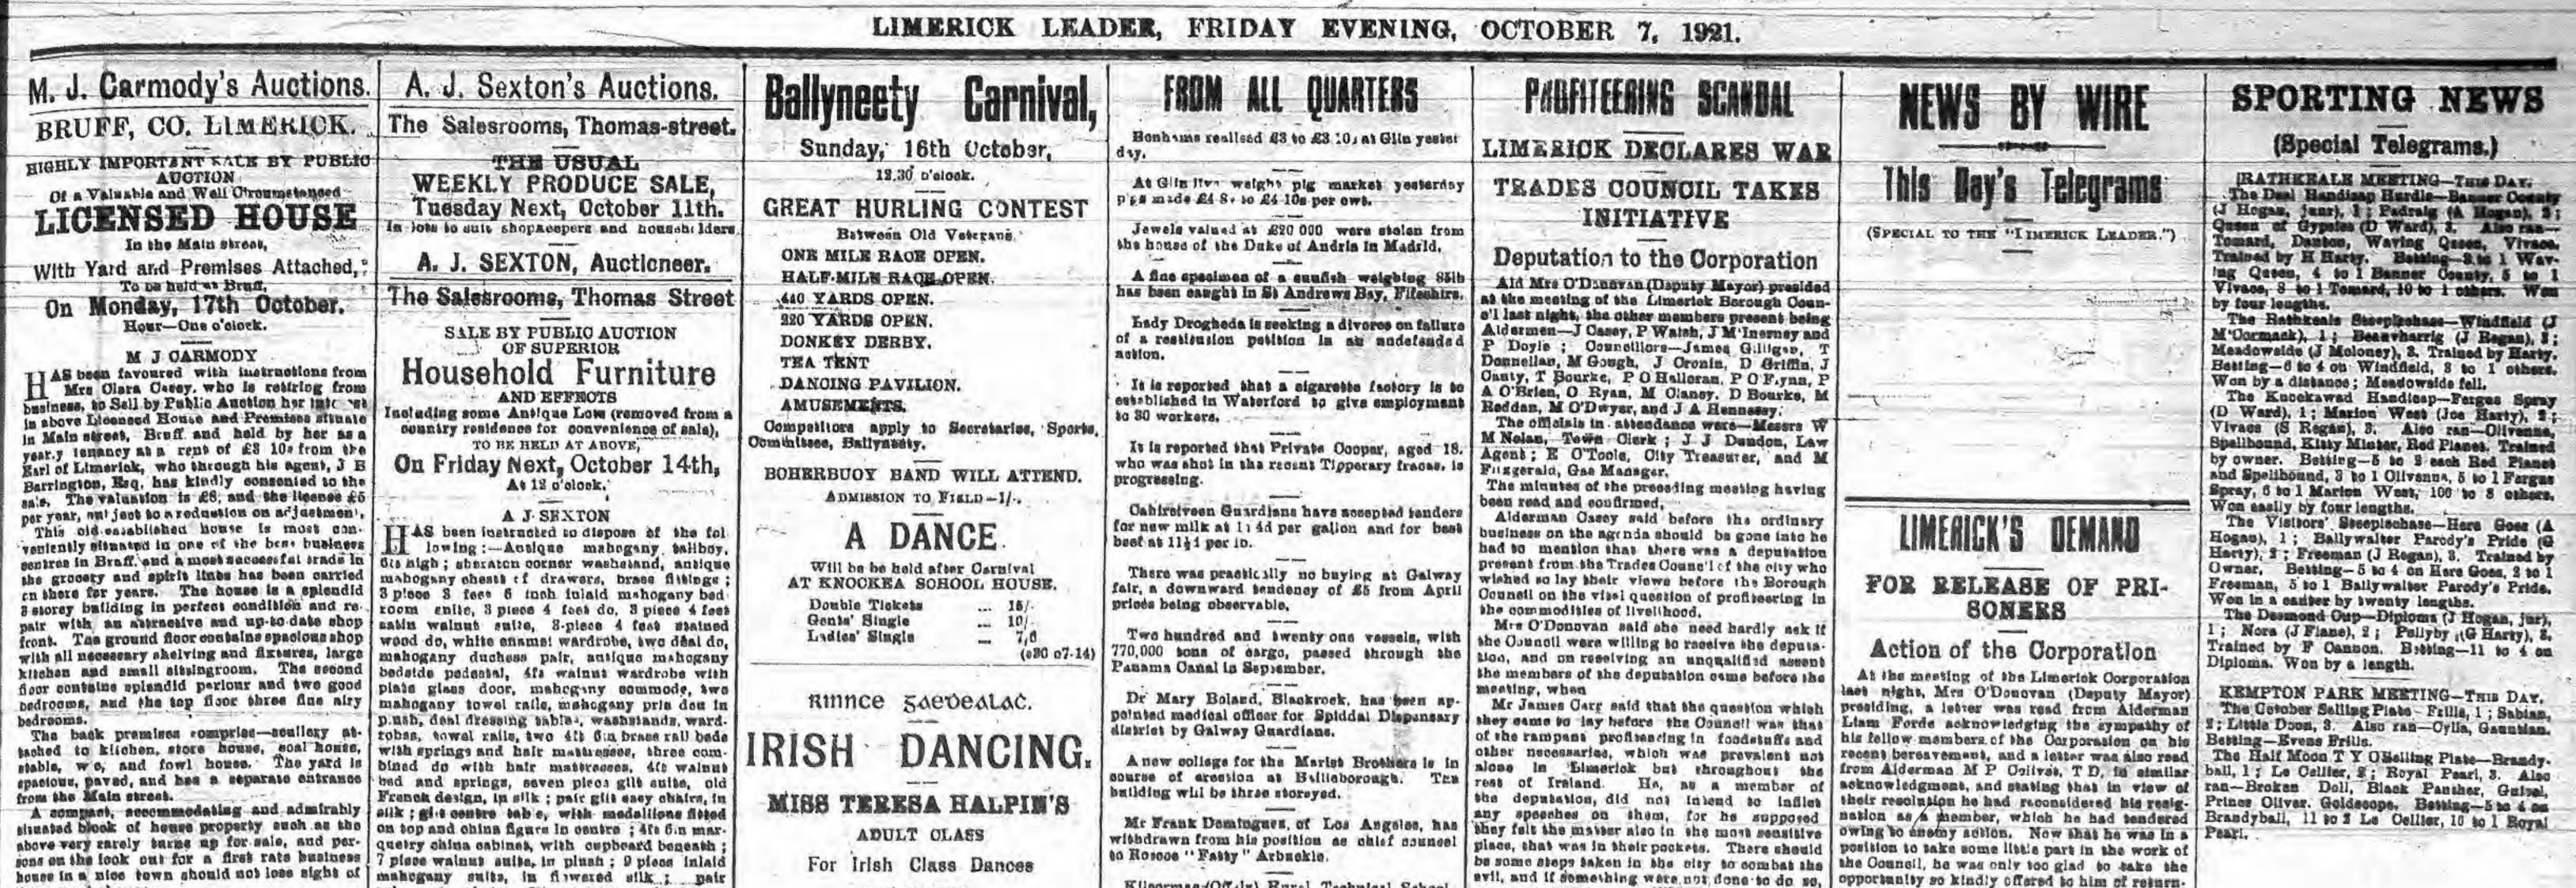

# New Prices for Fibre Mattresses

Made by expert	Irish Workers in	beautiful designs of	Irish fancy ticking.
BINGLE SIZE. 22/6.	LARGE SINGLE.	DOUBLE SIZE. 28/6.	LARGE DOUBLE.

You are supporting an Irish Industry and keeping the money in this country by buying these mattresses. Don't buy any mattress that has not the Irish Trade Mark label on it. All ours have it.

The cost of living would fall/substantially if all traders took as low a margain of profit as we do.
